Overview

QuaverEd, Inc. (formerly QuaverMusic.com, LLC) is an education technology company registered in the state of Tennessee and headquartered in Nashville.

Founded in 2011, Quaver has created thousands of curriculum resources that equip teachers to reach their students with the knowledge, mindsets, and skills they need to be successful citizens—in and out of the classroom. We develop and implement innovative programs using cutting-edge technology to help teachers engage their students and track their performance during the school year. With over 10 years of experience working with educators and districts around the world, we are also a leader in professional development and systems integration.
