This is generally a self-certifying database. The SBA does not make any representation as to the accuracy of any of the data included, other than certifications relating to 8(a) Business Development, HUBZone or Small Disadvantaged Business status. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.

Note: "Show All" shows as many profiles as you're allowed to receive, which may increase that limit to 5000. But due to a database restriction, adding "one-to-many" fields to the profile list (next item), lowers the limit to 1000. Choosing HTML Import format, below, automatically sets "Show All".
