Welcome to the Dynamic Small Business Search

All search form hotlinks open a new browser window.

All form fields that require typing in data have "tooltips" with data format information.

Search Guidance

NEW FEATURES FOR MOBILE USERS:

Phone number hotlinks can be used to dial the number on mobile phones.
Address hotlinks can be used to show the address in Google Maps.

This is generally a self-certifying database. The SBA does not make any representation as to the accuracy of any of the data included, other than certifications relating to 8(a) Business Development, HUBZone or Small Disadvantaged Business status. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.

Note: "Show All" shows as many profiles as you're allowed to receive, which may increase that limit to 5000. But due to a database restriction, adding "one-to-many" fields to the profile list (next item), lowers the limit to 1000. Choosing HTML Import format, below, automatically sets "Show All".

Dear MBDA,
TIPs is required under Federal regulations to work with MBDA in an effort to notify potential vendors for our procurement solicitations.

The Interlocal Purchasing System (TIPS) has available now, at the link below, the following solicitations.

You are invited to notify companies you assist to participate.

<https://tips.ionwave.net/CurrentSourcingEvents.aspx>

NOTE: Due to very restrictive email filtering for our governmental entity and to ensure I have received your email, please send all email to me delivery receipt or read receipt requested. Thank you.
