PURCHASING PROCEDURES:

Scholastic requests to continue the Automated Vendor Agreement dated May 12, 2016, with the following updated Scholastic deviations or "add-ins":

- o Scholastic will allow TIPS members to purchase Classroom Magazines under contract, but Scholastic will not include Classroom Magazines on the reports or pay a fee for Classroom Magazine orders.

- o Scholastic will create its own bimonthly reports, based on orders coming through

tipstaps@scholastic.com and on any school purchase orders that contain the contract number and that are sent directly to Scholastic. In the latter case, Scholastic will not send purchase orders back to TIPS for recording.

- o Scholastic will only pay on "missed POs" during the prior two reporting periods (four months back at the most).

- o This contract includes programs in the Scholastic Education Catalog (including digital programs), Scholastic Teaching Resources Catalog, and Scholastic Professional Learning Services Catalog. It does not include items from Scholastic Book Fairs, Scholastic Reading Clubs, Scholastic Library Publishing, or other divisions of Scholastic Inc.

Page 7 – Marketing: Scholastic requests that the first sentence be removed and replaced with the following:

"Any use of Vendor's name and logo or any form of publicity, inclusive of press release, regarding this Agreement awarded by TIPS, must have prior written approval from Vendor and approval of which, shall not be unreasonably withheld by Vendor."

Page 7 - Survival Clause: Scholastic requests that the first sentence be deleted and be replaced with the following:

"All applicable software license agreements that were entered into between Vendor and Customer under the terms and conditions of the Agreement shall end upon the expiration of the prepaid digital license period for the software, or termination of the Agreement."

Page 10 - Promotion of Agreement: Scholastic agrees to increase its TIPS sales to member districts when mutually beneficial to all. Scholastic has a large sales force and many contracts with school districts across the nation. Scholastic will not exclusively sell to districts under the TIPS contract, but we are already planning on increasing usage in certain territories and by adding digital programs and professional development services to our bid.

Page 10 - Backordered Products: Average delivery ARO for items in stock is 7-10 business days. If a partial order is shipped, the packing slip will indicate which items are backordered. Backordered items are sent as soon as possible, usually within 30 days. The toll-free number is 800-724-2222.

85 Texas Business and Commerce Code § 272 Requirements as of 9-1-2017

SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. A contract with such provisions is voidable. Under this new statute, a "construction contract" includes contracts, subcontracts, or agreements with (among others) architects, engineers, contractors, construction managers, equipment lessors, or materials suppliers. "Construction contracts" are for the design, construction, alteration, renovation, remodeling, or repair of any building or improvement to real property, or for furnishing materials or equipment for the project. The term also includes moving, demolition, or excavation. BY RESPONDING TO THIS SOLICITATION, AND WHEN APPLICABLE, THE PROPOSER AGREES TO COMPLY WITH THE TEXAS BUSINESS AND COMMERCE CODE § 272 WHEN EXECUTING CONTRACTS WITH TIPS MEMBERS THAT ARE TEXAS GOVERNMENT ENTITIES.

Check the appropriate box (Yes or No) that indicates whether your response/proposal contains an explanation demonstrating how your company will fulfill the entire contract with its own resources.

- ☐ - Yes (If Yes, in the space provided below list the specific page(s)/section(s) of your proposal which explains how your company will perform the entire contract with its own equipment, supplies, materials and/or employees.)
- ☒ - No (If No, in the space provided below explain how your company will perform the entire contract with its own equipment, supplies, materials and/or employees.)

No, Scholastic will not use any subcontractors. Scholastic is the world's largest children's publisher with 7,000 employees in the United States. The company has almost 100 years of experience in providing classroom books to school districts around the country. Over the years, Scholastic has fine-tuned order processing and customer service to a high state of performance. Scholastic has a huge warehouse and inventory that maximizes choice, keeps backorders to a minimum, and allows large-scale orders, such as those for new schools or back-to-school orders, to be a stress-free reality. We have approximately 1,000 employees in our operations fulfillment teams (not peak business times) which does not include customer service, accounts receivable, etc. Customer Service Representatives handle more than four million phones calls, email, and mail contacts with customers in a year.

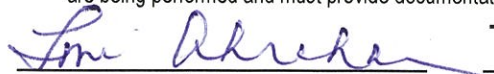

Scholastic Professional employs over 100 Literacy Specialists to conduct our Professional Development. They are provided training to be certified in their areas of expertise. They receive training multiple times throughout the year and also receive training from our Scholastic authors such as Nell Duke, Ruth Culham, Lester Laminack and Jan Richardson. To receive certification, the Literacy Specialists must read professional books on the author/area of practice, attend multiple days of professional learning, observe those literacy practices in action in schools and conduct those lessons and trainings while being coached by our leadership team.

Scholastic Literacy Specialists are also members of national organizations to keep current in best practices and research. Our specialists are members of the Learning Forward Professional Learning Organization, attend the annual conference for their own professional development, and utilize their extensive knowledge of the Standards for Professional Learning and established best practices to conduct each professional learning session.

SECTION-4: AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.
- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <http://www.window.state.tx.us/procurement/prog/hub/hub-forms/progressassessmentrpt.xls>).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP.
