This Agreement consists of the provisions set forth below, including provisions of all Attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any Attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order, Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the addendums possible.

Terms and Conditions

Freight

All quotes to members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge" or "\$0", "included in price" or other similar indication. Otherwise, all shipping, freight or delivery changes shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include <u>manufacturer's minimum standard</u> <u>warranty</u> unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirms that he/she or any authorized employees or agents has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term and Renewal of Agreements

The Agreement with TIPS is for three (3) years with an option for renewal for an additional one (1) consecutive year if both parties agree. TIPS may or may not exercise the one-year extension beyond the base three-year term and whether or not to offer the extension is at the sole discretion of TIPS. The scheduled Agreement termination date shall be the last date of the

month of the last month of the agreement's legal effect. **Example:** *If the agreement is scheduled to end on May 23, the anniversary date of the award, it would actually be extended to May 31 in the last month of the last year the contract is active.*

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the

Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the vendor assigned dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the RFP. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Vendor or vendor assigned dealer agrees to pay the participation fee for all Agreement sales to TIPS on a monthly scheduled report or as otherwise agreed by the parties.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. If the TIPS Member entity requesting a price from the awarded Vendor requests the TIPS contract, Vendor must include the TIPS Contract number on any communications with the TIPS Member entity. To report sales, login to the TIPS Vendor Portal and click on the PO's and Payments tab. Pages 3-7 of the Vendor Portal User Guide will walk you through the process of reporting sales to TIPS. Please refer to the TIPS Accounting FAQ's for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. <u>NO LIMITATION OF LIABILITY FOR DAMAGES FOR</u>

PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8. Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the bidder hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a purchase order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. The awarded vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPs Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

Request may be made by email to TIPS@TIPS-USA.COM

Supplemental Agreements

The TIPS Member entity participating in the TIPS Agreement and awarded vendor may enter into a separate Supplemental Agreement or contract to further define the level of service requirements over and above the minimum defined in this Agreement such as but not limited to, invoice requirements, ordering requirements, specialized delivery, etc. Any Supplemental Agreement or contract developed as a result of this Agreement is

TIPS, its agents, TIPS Members and employees not a party to the Supplemental Agreement with the TIPS Member customer, shall not be made party to any claim for breach of such agreement unless named and agreed by the Party in question in writing in the agreement. If a Vendor submitting a Proposal requires TIPS and/or TIPS Member to sign an additional agreement, those agreements shall comply with the award made by TIPS to the Vendor. Supplemental Vendor's Agreement documents may not become part of TIPS's Agreement with vendor unless and until an authorized representative of TIPS reviews and approves it. If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period,

and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the parties irrevocably to waive any objections to venue or to convenience of forum. The Raptor system has als o been credited with the arrests of numerous absconded sex offenders that have crossed state lines. In 2019, Rap tor Technologies acquired LobbyGuard®. User-friendly, self-contained, Wi-Fi enabled LobbyGuard kiosk visitor ma nagement systems help companies safeguard their workplaces, protect inventory and intellectual property, and en sure regulatory compliance. Join us today and allow Raptor to help protect your school.

WHY RAPTOR®?

Raptor Technologies® The Gold Standard in School Safety

WHO IS RAPTOR?

The mission of Raptor Technologies is to protect every child, every school, every day. We already partner with more than 32,000 K-12 schools across the country, and we are here to partner with you in your efforts to protect your students and staff.

Raptor builds visitor management, volunteer management, and emergency management solutions to help schools ensure the safety of their students and staffs.

One of the keys to the success of our partnerships is our culture. Our first fundamental is *"Focus on Customer Success."* Your success is our success. It drives culture, and it's one of the key reasons Raptor maintains an annual customer retention rate of greater than 98%.

WHY RAPTOR®?

Raptor continues to lead the way in school safety through:

- continuous innovation
- end-to-end implementation support
- comprehensive client services
- ongoing, responsive technical support

Raptor is more than just a software provider. We help clients understand how to respond to security challenges by guiding them through the proven processes and protocols with which our products align. Our clients range from the top 10 largest school districts to single-school districts and every size in between. Each district presents its own unique considerations and challenges, and Raptor has deep experience anticipating and adapting to the specific needs of individual districts.

Our second fundamental rule is *"Invest in Innovation."* It all starts with listening to the ever-changing needs of districts and expands into research and development practices that are in line with the most current technological trends. By keeping up with these trends, we eliminate the need to replace or overhaul solutions every two or three years. Our IT Security Best Practices—through penetration testing, data security audits, and disaster recovery—also dramatically reduce the likelihood of new and dangerous breaches occurring to critical client data.

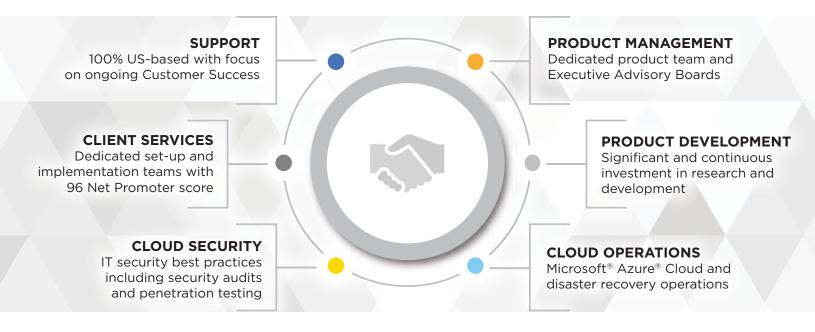

Enterprise-Class Software Methodology

Raptor[®] can anticipate challenges on a client's behalf. Our approach to answering customer needs employs an enterprise-class methodology, so our applications are designed to be robust, value-driven, adaptable, and scalable. Our client services grow as our clients grow, always in parallel with their operational and security needs. We adapt to new trends and compliance requirements, making us an expert in what we do.

We follow comprehensive enterprise processes across the company through:

• --- PRODUCT MANAGEMENT

Raptor[®] oversees all product development through a dedicated product team and client advisory boards.

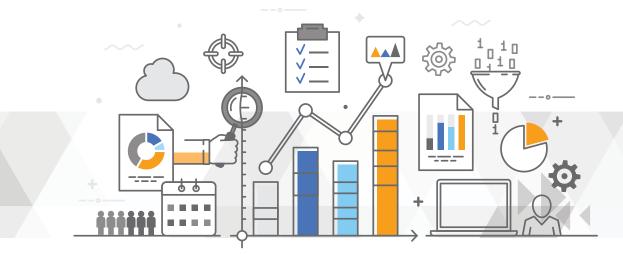

The Product Management team is composed of subject-matter experts, product managers, and UI/UX designers, in addition to technical writers and trainers, all of whom listen closely to client input and respond to the changing nature of school security needs by constantly innovating our solutions.

____ 66

- Nelson Lins, COO

Our clients can feel confident in what our product leadership has to offer—solutions that have been purpose-built specifically for K-12 schools.

● ─ [PRODUCT DEVELOPMENT

Our product pipeline from concept to customer is a combination of people, process, and technology. When districts come to us with evolving safety and security needs, our continuous investment in research and development enables us to respond with agility, flexibility, and scalability.

Raptor[®] uses agile software development methodologies—centered around the idea of iterative development—rather than more traditional "waterfall" processes. These methodologies enable our teams to deliver value faster, with greater quality and predictability, and with greater capacity to respond to change.

Our teams deliver value faster, with greater quality and predictability, and with greater capacity to respond to change.

77 -

This agile development methodology means that we're able to be nimble in incorporating new technologies to address changing needs. Our clients can depend on reliable software that has been vigorously tested—not just internally, but with actual users as well.

CLOUD OPERATIONS

Many of our competitors are product developers trying to do it all. They make the product, test the product, monitor security of the product, sell the product, take calls from clients, etc. They must be jacks of all trades and masters of none.

At Raptor[®], we have teams of professionals in charge of *each* of these aspects. Product development teams focus solely on building the product. Client services teams focus solely on helping our clients. And our Cloud Operations teams are our experts in data management, security, and retrieval.

We use the well-established, industry leader Microsoft[®] Azure[®] as our cloud vendor in order to provide reliable data handling and security. Our focus is on reliability, not risk-taking. Our client districts' data is too important. And we are proud to say that we have 99.99% uptime numbers with only seconds or minutes of downtime per year. That's it—4 minutes and 19 seconds of downtime a year, and our disaster recovery system bridges those few minutes, so the client doesn't even notice them.

All of this care and consideration results in uninterrupted service, data that's been secured in-use and thoroughly backed up, and data recovery that's been tested pre- and postdeployment. Our clients will never experience an outage. Uninterrupted service helps ensure the continuous safety of your schools.

-CLOUD SECURITY

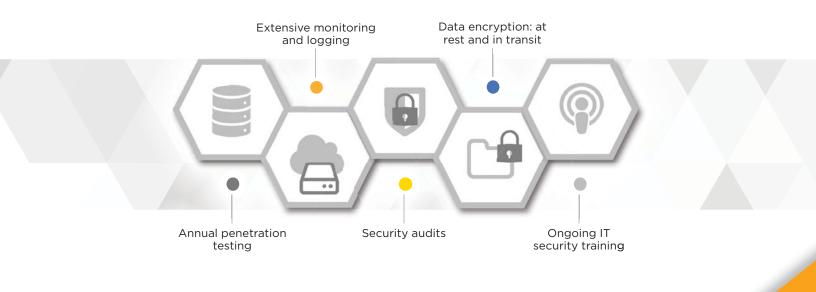

Data security is of utmost importance. Vital student and district data is constantly at risk from hackers, identity thieves, weak spots in a firewall, phishing scams, natural disasters, and other threats. Raptor[®] employs enterprise-class proven practices for your IT security.

The Raptor IT security services:

- Prevent account penetration by hackers and identity thieves
- Ensure two-way data encryption both at rest and in transit
- Conduct annual system security audits
- Continuously monitor logins, system usage patterns, and usage frequency

Raptor employs enterprise-class proven practices for your IT security.

Raptor client districts' accounts and information are always protected behind multiple safeguards. Raptor monitors, tests, and ensures that your student and district data is secured against all these potential threats.

•--[CLIENT SERVICES

To ensure that your Raptor[®] system is properly selected and set up, and that your district personnel are well-versed in the system's capabilities, operation, and maintenance, as well as who to turn to in the event of a rare technical or operational issue, we employ a dedicated client services team to ensure your success from the outset.

Our team works closely with your district and school staffs to take the guesswork and anxiety out of system setup and operation. We thoroughly train your personnel in the workings of the Raptor system so that they are confident in its use from day one. We strive to learn, adapt, and constantly optimize our client relationships, an attitude that has earned us an almost unheard of Net Promoter Score of 96.

We constantly optimize our client relationships, an attitude that has earned us an almost unheard of Net Promoter Score of 96.

Suzanne Newman, Director of Client Services

Implementation of each Raptor system is guided, workshopped, and followed up with a total focus on Customer Success. Our implementation process is flexible and thorough. System implementation overviews, interactive webinars, and exercise drills ensure that your staffs are thoroughly familiar with the system, its configurations and installations, and how to receive support as needs evolve.

Key district and school personnel will be trained in phases, from implementation to on-site drills. By the time the final wrap-up call is conducted, each staff member will be fluent in the system and prepared if and when questions arise.

VOLUNTEER MANAGEMENT

The Raptor Volunteer Management system is an end-to-end solution for your volunteer program from application to screening to reporting.

Managing a team of volunteers doesn't have to be a time-consuming process. The Raptor Volunteer Management system streamlines the process so that volunteers can apply and be easily tracked, screened, and scheduled, and reports can be accessed—all from a single, user-friendly set of dashboards.

During an average school year, the Raptor system helps districts manage and track over 400,000 volunteers donating more than 11 million hours. The system manages nearly 2 million annual volunteer sign-ins, eliminates the use of over 250,000 paper applications per year, and reduces screening time for volunteer applicants from weeks to less than 24 hours. The Raptor Volunteer Management system includes resources for:
