Between D&G Quality Roofing, INC **and**
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS),
a Department of Texas Education Service Center Region 8 for
TIPS RCSP 200201 Trades, Labor and Materials (JOC)

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter referred to as "TIPS" respectfully) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686. This Agreement consists of the provisions set forth below, including provisions of all Attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any Attachment, the provisions set forth shall control.

The Vendor Agreement shall include and incorporate by reference this Agreement, the terms and conditions, special terms and conditions, any agreed upon amendments, as well as all of the sections of the solicitation as posted, including any addenda and the awarded vendor's proposal. Once signed, if an awarded vendor's proposal varies or is unclear in any way from the TIPS Agreement, TIPS, at its sole discretion, will decide which provision will prevail. Other documents to be included are the awarded vendor's proposals, task orders, purchase orders and any adjustments which have been issued. If deviations are submitted to TIPS by the proposing vendor as provided by and within the solicitation process, this Agreement may be amended to incorporate any agreed deviations.

The following pages will constitute the Agreement between the successful vendors(s) and TIPS. Bidders shall state, in a separate writing, and include with their proposal response, any required exceptions or deviations from these terms, conditions, and specifications. If agreed to by TIPS, they will be incorporated into the final Agreement.

A Purchase Order, Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed to between the vendor and TIPS Member should be added as addenda to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some of the addenda possible.

Terms and Conditions

Conflicts with RS Means Unit Price Book

If the terms of the solicitation referenced RS Means Unit Price Book occur, the RS Means Book shall control if it determines the legality of the solicitation award as it relates to the requisite Means Unit Price Book.

Freight

All quotes to members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge" or "\$0" or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell, or an authorized dealer, distributor or manufacturer for all products offered for sale to TIPS Members. All equipment proposed shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a contract, agreement or purchase order(s) executed by authorized agents of the participating government entities.

Davis Bacon Act

Davis Bacon Act requirements will be met when Federal Funds are used for construction and/or repair of buildings or as otherwise required by applicable statute or regulation.

Other Wage Rates

Other wage rates may be required by some TIPS Members and acceptance of a project by the Vendor may require the Vendor to comply with the TIPS Member's required wage rate.

Tax exempt status

Most TIPS Members are tax exempt and the related laws of the jurisdiction of the TIPS Member shall apply.

Assignments of Agreements

No assignment of Agreement may be made without the prior written approval of TIPS. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirm that he/she, or any authorized employees or agents, has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan,

gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.

- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term and Renewal of Agreements

The Agreement with TIPS is for two (2) years with an option for renewal for additional two (2) consecutive one-year terms years. Total term of Agreement can be up to the number of years provided in the solicitation or as limited by statute. The option renewal year one shall be automatically renewed unless either party objects or terminates the agreement as provided herein at "Termination for Convenience". The Second one-year renewal term is only if both Parties agree.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

The awarded Vendor shall submit invoices or payment requests to the TIPS Member participating entity clearly stating "Per TIPS Agreement # xxxxxx." Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order or contract by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Pricing

Price increases will be honored according to the terms of the solicitation. However, the Vendor shall honor previous prices for thirty (30) days after written notification to TIPS of an increase, except any price changes related to the, then current, RS Means Unit Price Book is valid. Price of a specific Job Order Contract proposal to a TIPS Member shall not change within 60 days of date of proposal as a result of an updated RS Means Unit Price Book

unless agreed by the TIPS Member. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to customer. Failure to render the participation fee to TIPS shall constitute a breach of this agreement and shall be grounds for termination of this agreement and any other agreement held with TIPS.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller or Vendor Assigned Dealer agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is due to TIPS from the Vendor.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. If the TIPS Member entity requesting a price from the awarded Vendor requests the TIPS contract, Vendor must include the TIPS Contract number on any communications with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's work under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.**

Per Texas Education Code §44.032(f), reasonable Attorney's fees

are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the bidder hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a purchase order or contract modification occurs, TIPS is to be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

TIPS Member Purchasing Procedures

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

- Awarded Vendor delivers goods/services directly to the participating member.
- Awarded Vendor invoices the participating TIPS Member directly.
- Awarded Vendor receives payment directly from the participating member.
- Fees are due to TIPS upon payment by the Member to the Vendor. Vendor agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS.

Form of Agreement and Reporting

If a vendor submitting an offer requires TIPS and/or TIPS Member to sign an additional agreement, a copy of the proposed agreement must be included with the proposal to the TIPS Member. TIPS does not require a review of a TIPS Member's Job Order contract TYPE AIA or other similar Contract provided by the TIPS Member. This clause does not relieve the Vendor from the responsibility to report the contract execution and the amount of the contract and any change orders.

Licenses

Awarded Vendor shall maintain, in current status, all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded Vendor. Awarded Vendor shall remain reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the Agreement. Novation

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. Scheduling of projects (if applicable) may be accomplished when the TIPS Member issues a Purchase Order and/or an Agreement or Contract that will serve as "the notice to proceed" as agreed by the Vendor and the TIPS Member. The period for the delivery order will include the mobilization, materials purchase, installation and delivery, design, weather, and site cleanup and inspection. No additional claims may be made for delays as a result of these items. When the tasks have been completed the awarded vendor shall notify the client and have the TIPS Member or a designated representative of the TIPS Member inspect the work for acceptance under the scope and terms in the Purchase Order and/or Agreement or Contract. The TIPS Member will issue in writing any corrective actions that are required. Upon completion of these items, the TIPS Member will issue a completion notice and final payment will be issued per the contractual requirements of the project with the TIPS Member. Any Construction contract prepared by the TIPS Member's Legal Counsel may alter the terms of this subsection, "Scheduling of Projects".

Support Requirements

If there is a dispute between the awarded vendor and TIPS Member, TIPS or its representatives may assist, at TIPS sole discretion, in conflict resolution or third party (mandatory mediation), if requested by either party. TIPS, or its representatives, reserves the right to inspect any project and audit the awarded vendors TIPS project files, documentation and correspondence.

Status of TIPS Members as Related to This Agreement

TIPS Members stand in the place of TIPS as related to this agreement and have the same access to the proposal information and all related documents. TIPS Members have all the same rights under the awarded Agreement as TIPS.

Incorporation of Solicitation

The TIPS Solicitation, whether a Request for Proposals, the Request for Competitive Sealed Proposals or Request for Qualifications solicitation, the Vendor's response to same and all associated documents and forms made part of the solicitation process, including any addenda, that resulted in the execution of this agreement are hereby incorporated by reference into this agreement as if copied verbatim.

200201 Addendum 3 D & G Quality Roofing, Inc. Supplier Response

Event Information

Number: 200201 Addendum 3
Title: Trades, Labor and Materials (JOC)
Type: Request for Proposal
Issue Date: 2/6/2020
Deadline: 4/3/2020 03:00 PM (CT)
Notes: If your company currently has a Job Order Contracting (181101) **it is not necessary or beneficial to you to respond to this solicitation as your current contracts allow you to perform the same work as this new solicitation would permit.** Unless and if you wish to bid different terms, pricing or otherwise change from your existing contract, Job Order Contracting (181101), proposing on the current solicitation provides no additional benefits to your company.

Dear potential TIPS Vendor,
As you review the solicitation information, you are probably looking for detailed job specifications and a scope of work for which to submit a proposal. Because of the way TIPS and most other purchasing cooperatives procure contracts, there is no specific project to award. TIPS awards an IDIQ contract, where IDIQ is an abbreviation of the term "Indefinite Delivery/Indefinite Quantity". This is a type of contract that provides for an indefinite quantity of supplies or services during a fixed period of time or life of the awarded agreement. This

RCSP/solicitation was issued as a prospective award for a pricing agreement to be used when a TIPS member entity needs the goods or services offered under the agreement in the different categories of solicitations. If you have any additional questions, please don't hesitate to reach out to us here at TIPS!

See below for just one of our many alternatives to costly re-roofing.

As facility managers and property owners, you have to make important decisions on how to maintain your property that can cost thousands of dollars. Each day you are presented with a variety of problems that require that you make the right decision that will affect your property's value.

We, at D&G Quality Roofing understand the need for you to be presented with the right options, at the right time, at the right price. We have teamed up with the industry leaders in silicone roofing materials to bring you roofing options that we believe are game-changers in the roofing industry. Silicone coatings represent the next evolution in the roofing industry because of the incredible flexibility of the product coupled with second-to-none installation. Imagine: instead of the expensive option of tearing off old roofing systems and replacing with new roofing systems with limited warranties; of having the option of a complete refurbishment of the existing roof with a warranty that rivals new roofing systems – AT A FRACTION OF THE COST!

Benefits of this type of system:

- Comes with a Manufacturer warranty of 50 years on material.
- D & G gives a 3 year renewable labor warranty with this type of roof system.
- Withstands permanent ponding water.
- This qualifies your roof as a COOL roof system. (many cities have rebates)
- **White silicone roof system is a highly reflective material that can contribute up to 7 LEED points to building efficiency.**
- **Will reduce air conditioning energy use, in turn A/C will run less thereby extending their life.**
- Quiet application means it can be applied during school hours
- Low fumes make it safe to apply while the building is occupied
- Short application times compared to replacement of the existing roof
- Very little debris or trash goes to landfills
- After initial installation, can be easily repaired and maintained
- Dries relatively quickly – can be applied up to 2 hours before rain
- **Product is completely inert after drying and will not deteriorate or break down under direct sunlight or UV rays**
- Resists grease and oils
- Silicone creates a monolithic (seamless) roofing system across entire field of roof
- Environmentally green solution

Given the many roofing options available, it is easy to understand the confusion some Owners and Managers feel when determining what is best for their facilities.

We have completed this fix to many Colleges, Universities, Municipalities, Apartment Complexes, Police Stations, Civic Centers, Churches, etc., with great success. Coating an existing roof to 22 mil thickness will enhance the existing roof system to last for decades. It would not require removing any roof equipment or require roof membrane tear off. The radiant heat and UV protection alone will make this an ideal solution for the University, given that this type of system will block 89% of the radiant heat and 92% of the UV rays from penetrating buildings.

Depending on the existing roof surface, the application procedure is pretty straightforward:

For gravel roofs, vacuum loose gravel off, then scrape/spud where necessary to create flat surface

Power wash all
roof areas with
an
environmentally
friendly
cleanser.

Prime entire roof area with Bleed Block (gray) to prepare for silicone coats. (Only needed on existing asphaltic based roofing systems)

Add silicone filler coat (red) – only needed on gravel roofs as a filler

Dress and coat all seams, penetrations, curbs and coping cap seams areas with “butter” grade silicone component, adding membrane tape where necessary

Add up to 22 mil of silicone coating to manufacturer's spec to roof field, curbs, parapets and metal coping caps

Leave worksite clean and trade debris free and under warranty

Notes: Pricing is based upon contractor's access to water supply provided by the University for power washing of the roofs. Also, the University to provide space to dump rooftop gravel after it is removed from the roofs. This gravel can be re-tasked to fill in pot holes, create parking spaces and fill in voids in landscaping.

As you can see, this option puts more flexibility in your hands in maintaining or repairing your properties in a cost effective, value-added way.

We at D&G Quality Roofing stand ready to provide you with the best service that has made us leaders in our industry. Silicone manufacturers like General Electric, Durolast, and Progressive Materials are the premier roofing systems manufacturers that provide superior customer support, expert technical knowledge, and a strong commitment to product performance. Together, we provide roofing solutions that are next to none!

Thank you for the opportunity to earn your business,

Byron Miller

AUTHORIZED REPRESENTATIVE

As facility managers and property owners, you have to make important decisions on how to maintain your property that can cost thousands of dollars. Each day you are presented with a variety of problems that require that you make the right decision that will affect your property's value.

We, at D&G Quality Roofing understand the need for you to be presented with the right options, at the right time, at the right price. We have teamed up with the industry leaders in silicone roofing materials to bring you roofing options that we believe are game-changers in the roofing industry. Silicone coatings represent the next evolution in the roofing industry because of the incredible flexibility of the product coupled with second-to-none installation. Imagine: instead of the expensive option of tearing off old roofing systems and replacing with new roofing systems with limited warranties; of having the option of a complete refurbishment of the existing roof with a warranty that rivals new roofing systems – AT A FRACTION OF THE COST!

Benefits of this type of system:

- Comes with a Manufacturer warranty of 10, 20 and 50 years on material.
- D & G gives a 3 year renewable labor warranty with this type of roof system.
- Withstands permanent ponding water.
- This qualifies your roof as a COOL roof system. (many cities have rebates)
- **White silicone roof system is a highly reflective material that can contribute up to 7 LEED points to building efficiency.**
- **Will reduce air conditioning energy use, in turn A/C will run less thereby extending their life.**
- Quiet application means it can be applied during school hours
- Low fumes make it safe to apply while the building is occupied
- Short application times compared to replacement of the existing roof
- Very little debris or trash goes to landfills
- After initial installation, can be easily repaired and maintained
- Dries relatively quickly – can be applied up to 2 hours before rain
- **Product is completely inert after drying and will not deteriorate or break down under direct sunlight or UV rays**
- Resists grease and oils
- Silicone creates a monolithic (seamless) roofing system across entire field of roof
- **Environmentally green solution**

Given the many roofing options available, it is easy to understand the confusion some Owners and Managers feel when determining what is best for their facilities.

We have completed this fix to many Colleges, Universities, Municipalities, Apartment Complexes, Police Stations, Civic Centers, Churches, etc., with great success. Coating an existing roof to 22 mil thickness will enhance the existing roof system to last for decades. It would not require removing any roof equipment or require roof membrane tear off. The radiant heat and UV protection alone will make this an ideal solution for the University, given that this type of system will block 89% of the radiant heat and 92% of the UV rays from penetrating buildings.

Depending on the existing roof surface, the application procedure is pretty straightforward:

For gravel roofs, vacuum loose gravel off, then scrape/spud where necessary to create flat surface

Power wash all
roof areas with
an
environmentally
friendly
cleanser.

Prime entire roof area with Bleed Block (gray) to prepare for silicone coats. (Only needed on existing asphaltic based roofing systems)

Add silicone filler coat (red) – only needed on gravel roofs as a filler

Dress and coat all seams, penetrations, curbs and coping cap seams areas with “butter” grade silicone component, adding membrane tape where necessary

Add up to 22 mil of silicone coating to manufacturer's spec to roof field, curbs, parapets and metal coping caps

Leave worksite clean and trade debris free and under warranty

Notes: Pricing is based upon contractor's access to water supply provided by the University for power washing of the roofs. Also, the University to provide space to dump rooftop gravel after it is removed from the roofs. This gravel can be re-tasked to fill in pot holes, create parking spaces and fill in voids in landscaping.

As you can see, this option puts more flexibility in your hands in maintaining or repairing your properties in a cost effective, value-added way.

We at D&G Quality Roofing stand ready to provide you with the best service that has made us leaders in our industry. Silicone manufacturers like General Electric, Durolast, and Progressive Materials are the premier roofing systems manufacturers that provide superior customer support, expert technical knowledge, and a strong commitment to product performance. Together, we provide roofing solutions that are next to none!
