

TIPS VENDOR AGREEMENT

Between Polyloom Corporation of America (DBA Tencate) and
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS), a Department of Texas Education Service Center Region 8 for **TIPS RFP 200205 Synthetic or Natural Sports Fields, Courts or Tracks 2 Part**

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter "TIPS") a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order ("PO"), Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

Terms and Conditions

Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge", "\$0", "included in price" or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include **manufacturer's minimum standard warranty** unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal ("RFP") category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirm that he/she, or any authorized employees or agents, has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term and Renewal of Agreements

The Agreement with TIPS is for three (3) years with an option for renewal for an additional one (1) consecutive year if both parties agree. TIPS may or may not exercise the one-year extension beyond the base three-year term and whether or not to offer the extension is at the sole discretion of TIPS. The scheduled Agreement termination date shall be the last date of the month of the last month of the agreement's legal effect.

Example: *If the agreement is scheduled to end on May 23, the anniversary date of the award, it would actually be extended to May 31 in the last month of the last year the contract is active.*

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall

notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller or Vendor Assigned Dealer agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is due to TIPS from the Vendor.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. If the TIPS Member entity requesting a price from the awarded Vendor requests the TIPS contract, Vendor must include the TIPS Contract number on any communications with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

signatory of TIPS.

Awarded Vendor shall remain reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the Agreement. TIPS and TIPS Members reserves the right to stop work and/or cancel an order or terminate this or any other sales Agreement of any awarded Vendor whose license(s) required for performance under this Agreement have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.

Novation

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. A simple change of name agreement will not change the Agreement obligations of awarded vendor. TIPS will consider Contract Assignments on a case by case basis. TIPS must be notified within five (5) business days of the transfer of assets or rights.

Site Requirements (*only when applicable to service or job*)

Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non-

compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act {40 U.S.C. 314S), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

THE REVOLUTION IS HERE

For more than 30 years, very little changed in the turf industry. From infill compaction to directional lay, the same issues continued to plague fields across the country. Until now.

Engineered specifically for football and other high-impact sports, IRONTURF provides unmatched playability, durability and safety. It's also the best-looking field on the market.

[DURABILITY]

Our interlocked woven fibers won't pull out during rough play. IRONTURF reduces splash and maintains playability, even after more than 300,000 cycles with Lisport testing.

[PLAYABILITY]

IRONTURF plays most like natural grass because turf stands straight, eliminating directional lay. Players can easily run and cut during plays, rather than fighting against the turf.

CONSTRUCTION

[SAFETY]

Our diamond design allows infill to move freely within the turf. This decreases compaction and provides more consistent GMAX. Players also experience less rotational resistance and lower leg stress.

[APPEARANCE]

Variation in fibers create a natural grass appearance, and our unique stitching process allows for cleaner graphics. Plus, our turf is designed to reduce glare, which means a better-looking field for you.

BUILT UNSTOPPABLE

Rather than being glued to a backing, IRONTURF is constructed by interlocking a 50/50 blend of the toughest TenCate fibers—durable XP and playable Diamond. Thanks to our patented MatriX woven technology, we create a surface that can stand up to our nation's toughest sports. The result is the highest performing turf on the market—and it's only offered by GreenFields.

[MATRIX WOVEN PATTERN]

[TUFTED PATTERN]

Unlike tufted turf that has tight rows of fibers, our patented woven diamond pattern creates even spacing so infill can move freely within the turf.

[XP FIBERS]

Durable slit film fibers

Twists with movement

Maintains integrity during hard play

[DIAMOND FIBERS]

Thicker than other monofilament fibers

Stands straighter for longer

Ridged design reduces glare

TOUGH IN ACTION

IRONTURF is taking the nation by storm. From football and soccer to other fields that require enhanced performance, teams across the nation have chosen IRONTURF.

IRONTURF™ LISPORT RESULTS

IRONTURF BEATS ALL OTHER TURFS

GreenFields USA is proud to announce that its premier woven product – IRONTURF – has surpassed 300,000 cycles on independent Lisport testing conducted by Labosport.

20,000 Lisport cycles equals about 8 to 10 years of play. In exceeding 300,000 cycles, IRONTURF is now proven to be the toughest, most durable turf ever tested.

Thanks to our woven technology, there was zero yarn loss over the course of the testing. This result is unprecedented and proves the superiority of weaving over traditional tufting methods. Labosport also reported that both our tape and monofilament fibers retained their integrity and remained upright throughout the testing, confirming that our TenCate fibers continue to be the best on the market.

GreenFields' Patented Technology

IRONTURF is produced with GreenFields' patented Matrix woven technology. Unlike tufted products, IRONTURF fibers are woven together in a unique 'W' pattern, which creates an unbreakable lock. This process produces a superior turf with unmatched playability, durability and safety. IRONTURF reduces splash, allows for less rotational resistance and decreases lower leg stress while holding a consistent GMAX.

What is Lisport?

Lisport testing shows how turf holds up to typical field wear. The test simulates foot traffic on a turf sample to determine its durability and resilience.

Two studded rollers (acting like cleated shoes) pass over the turf. Each roller is weighted and rotates at a different speed to cause abrasion. While the rollers are going back and forth, the table is also moving side to side which randomizes the test.

Each full pass of the rollers end-to-end is one cycle. The wear is measured in terms of completed cycles on the Lisport apparatus.

Who is Labosport?

Labosport is an independent laboratory with testing facilities across the world. Labosport's Canadian facility (where IRONTURF was tested) is the only FIFA-approved lab in North America. Labosport conducts its tests in strict accordance to the guidelines set by international sports governing bodies, including FIFA, International Association of Athletics Federation, World Rugby, and is a member of the Synthetic Turf Council.

More About GreenFields

GreenFields is the world leader in high performance turf. GreenFields develops, produces, supplies and installs innovative synthetic turf systems in collaboration with and as part of the TenCate Grass Group. GreenFields has sales partners in more than 100 countries and ranks among the frontrunners in the market in a variety of sports, including football and soccer.

THE AQUAJET

The AquaJet is our exclusive water cutting system that aids us in making crucial, precise cuts. It smoothly cuts some of the world's most sophisticated and beautiful turf designs. The end result is unrivaled detail, large color palettes, and the capability to create complex projects.

HOW IT WORKS

The AquaJet works by concentrating water into a very high-pressure stream- 50,000 PSI to be exact. At this level of force, water can cut and shape a complex number of materials, aiding us in fabricating some of the most creative and intricate projects.

RUNNING ON INNOVATION

Super X - The world's most renowned and recognizable track surface just arrived at the next level, **Super X 720** ... the proven contact platform for both biomechanics and durability, Super X has joined our record setting Mondotrack backing which supports the lower leg by decreasing the athletes' foot to surface impact thus improving comfort, performance and speed. With your new Mondo **Super X 720** track, you will be running on innovation!

CONTACT LAYER

The traditional calendared Super X, provides a superior, more uniform and consistent performance compared to embedded EPDM textured surfaces:

- **Traction** - nothing outperforms vulcanized rubber. A Mondo surface allows for the use of smaller spikes thus achieving faster times by reducing drag.
- **Drainage** - the uniform repeating texture ensures proper water flow
- **Durability** - no granules breaking away underfoot, ensuring consistent traction, safety and athletic performance.
- **Safety** - Even wet, the surface not only exceeds all IAAF but also meets ADA requirements and is MRSA resistant.

GREEN FACTS

Mondo's core values are not only to protect the athlete but also to protect the environment. We are the only surface that is:

- Greenguard Certified
- Granular free - no migration of loose granules which are known to migrate into waterways where fish and shellfish habitat.
- 100% recyclable
- Mercury Free - unlike full poured surfacing

720 LAYER

Like anything of value and longevity, quality construction begins from the bottom up with a sound foundation. The patented hexagonal **720** design is the driving engine which allows the deforming geometries of the backing to harness the rudimentary laws of physics, providing both comfort and speed simultaneously, unlike any other layer in the history of track & field.

- **Comfort** - generated from the hexagonal cushion of air, the same principles of which most athletic footwear is based upon.
- **Speed** - generated in two ways - first: during each step, the force gained and not dissipated, transitions from the 5th metatarsus to the 1st metatarsus faster with the hexagonal backing than any other track surface. Simultaneously, the air charged hexagons and encapsulated microcells are the driving force for energy return. This is a proven mechanical advantage for the athlete.
