

TIPS VENDOR AGREEMENT

TIPS RFP 250503 MRO (Maintenance, Repair, and Operations of Facilities and Grounds) Supplies, Equipment, Tool Rental, Sales, and Services

The following Vendor Agreement (“Agreement”) creates a legal agreement between The Interlocal Purchasing System (“TIPS”), a government purchasing cooperative and Department of Texas Region 8 Education Service Center and (INSERT ENTITY NAME):

ClearSpan Fabric Structures International Inc.

(ENTER ENTITY NAME]

its owners, agents, subsidiaries, and affiliates (together, “Vendor”) (individually, “Party”, and collectively the “Parties”) and this agreement shall exclusively govern the contractual relationship (“Agreement”) between the Parties.

TIPS, a governmental entity and a national purchasing cooperative seeks to provide a valuable and necessary solution to public entities and qualifying non-profits by performing the public procurement solicitation process and awarding compliant contracts to qualified vendors. Then, where the law of a customer’s jurisdiction allows, instead of public entities and qualifying non-profits expending time, money, and resources on the extensive public procurement process, the use of TIPS allows public entities to quickly select and purchase their preferred products or services from qualified, competitively evaluated vendors through cooperative purchasing.

1. **Purpose.** The purpose of this Agreement is to identify the terms and conditions of the relationship between TIPS and Vendor. Public entities and qualifying non-profits that properly join or utilize TIPS (“TIPS Members”) may elect to “piggyback” off of TIPS’ procurements and agreements where the laws of their jurisdiction allow. TIPS Members are not contractual parties to this Agreement although terms and conditions of this Agreement may ensure benefits to TIPS Members.
2. **Authority.** The Parties agree that the signatories below are individual authorized to enter into this Agreement on behalf of their entity and that they are acting under due and proper authority under applicable law.
3. **Definitions.**
 - a. **TIPS Pricing:** The specific pricing, discounts, and other pricing terms and incentives which Vendor submitted and TIPS approved for each respective TIPS Contract awarded to Vendor and all permissible, subsequent pricing updates submitted by Vendor and accepted by TIPS, if any.
 - b. **Authorized Reseller:** A reseller or dealer authorized and added by a Vendor through their online TIPS Vendor Portal to make TIPS sales according to the terms and conditions herein.
4. **Entire Agreement.** This Agreement resulted from TIPS posting a “TIPS Solicitation” (RFP, RCSP, RFQ, or other) and Vendor submitting a proposal in response to that posted TIPS Solicitation for evaluation and award. The Parties agree that this Agreement consists of the provisions set forth herein and: (1) The TIPS solicitation document resulting in this Agreement; (2) Any addenda or clarifications issued in relation to the TIPS solicitation; (3) All solicitation information provided to Vendor by TIPS through the TIPS eBid System; (3) Vendor’s entire proposal response to the TIPS solicitation including all accepted required attachments, acknowledged notices and certifications, accepted negotiated terms, pricing, accepted responses to questions, and accepted written clarifications of Vendor’s proposal, and; any properly included attachments to this Agreement. All documentation and information listed is hereby incorporated by reference as if set forth herein verbatim. In the event of conflict between the terms herein and one of the incorporated documents the terms and conditions herein shall control.
5. **Vendor’s Specific Warranties, Terms, and License Agreements.** Because TIPS serves public entities and non-profits throughout the nation all of which are subject to specific laws and policies of their jurisdiction, as a matter of standard practice, TIPS does not typically accept a Vendor’s specific “Sale Terms” (warranties, license agreements, master agreements, terms and conditions, etc.) on behalf of all TIPS Members. TIPS may permit Vendor to attach those to this Agreement to display to interested customers what terms may apply to their Supplemental Agreement with Vendor (if submitted by Vendor for that purpose). However, unless this term of the Agreement is negotiated and modified to state otherwise, those specific Sale Terms are not accepted by TIPS on behalf of all TIPS Members and each Member may choose whether to accept, negotiate, or reject those specific Sale Terms, which must be reflected in a separate agreement between Vendor and the Member in order to be effective.

- 6. Vendor Identity and Contact Information.** It is Vendor's sole responsibility to ensure that all identifying vendor information (name, EIN, d/b/a's, etc.) and contact information is updated and current at all times within the TIPS eBid System and the TIPS Vendor Portal. It is Vendor's sole responsibility to confirm that all e-correspondence issued from tips-usa.com, ionwave.net, and tipsconstruction.com to Vendor's contacts are received and are not blocked by firewall or other technology security. Failure to permit receipt of correspondence from these domains and failure to keep vendor identity and contact information current at all times during the life of the contract may cause loss of TIPS Sales, accumulating TIPS fees, missed rebid opportunities, lapse of TIPS Contract(s), and unnecessary collection or legal actions against Vendor. It is no defense to any of the foregoing or any breach of this Agreement that Vendor was not receiving TIPS' electronic communications issued by TIPS to Vendor's listed contacts.
- 7. Initiation of TIPS Sales.** When a public entity initiates a purchase with Vendor, if the Member inquires verbally or in writing whether Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether the Member is seeking a TIPS purchase. Once verified, Vendor must include the TIPS Contract Number on all purchase communications and sales documents exchanged with the TIPS Member.
- 8. TIPS Sales and Supplemental Agreements.** The terms of the specific TIPS order, including but not limited to: shipping, freight, insurance, delivery, fees, bonding, cost, delivery expectations and location, returns, refunds, terms, conditions, cancellations, order assistance, etc., shall be controlled by the purchase agreement (Purchase Order, Contract, Invoice, etc.) (hereinafter "Supplemental Agreement") entered into between the TIPS Member Customer and Vendor only. TIPS is not a party to any Supplemental Agreement. All Supplemental Agreements shall include Vendor's Name, as known to TIPS, and TIPS Contract Name and Number. Vendor accepts and understands that TIPS is not a legal party to TIPS Sales and Vendor is solely responsible for identifying fraud, mistakes, unacceptable terms, or misrepresentations for the specific order prior to accepting. Vendor agrees that any order issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. When Vendor accepts or fulfills an order, even when processed through TIPS, Vendor is representing that Vendor has carefully reviewed the order for legality, authenticity, and accuracy and TIPS shall not be liable or responsible for the same. In the event of a conflict between the terms of this TIPS Vendor Agreement and those contained in any Supplemental Agreement, the provisions set forth herein shall control unless otherwise agreed to and authorized by the Parties in writing within the Supplemental Agreement.
- 9. Right of Refusal.** Vendor has the right not to sell to a TIPS Member under the awarded agreement at Vendor's discretion unless otherwise required by law.
- 10. Reporting TIPS Sales.** Vendor must report all TIPS Sales to TIPS. If a TIPS sale is initiated by Vendor receiving a TIPS Member's purchase order from TIPS directly, Vendor may consider that specific TIPS Sale reported. Otherwise, with the exception of TIPS Automated Vendors, who have signed an exclusive agreement with TIPS regarding reporting, all TIPS Sales must be reported to TIPS by either: (1) Emailing the purchase order or similar purchase document (with Vendor's Name, as known to TIPS, and the TIPS Contract Name and Number included) to TIPS at tipspo@tips-usa.com with "Confirmation Only" in the subject line of the email within three business days of Vendor's acceptance of the order, or; (2) Within 3 business days of the order being accepted by Vendor, Vendor must login to the TIPS Vendor Portal and successfully self-report all necessary sale information within the Vendor Portal and confirm that it shows up accurately on your current Vendor Portal statement. No other method of reporting is acceptable unless agreed to by the Parties in writing. Failure to report all sales pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com.
- 11. TIPS Administration Fees.** The collection of administrative fees by TIPS, a government entity, for performance of these procurement services is required pursuant to Texas Government Code Section 791.011 et. seq. The administration fee ("TIPS Administration Fee") is the amount legally owed by Vendor to TIPS for TIPS Sales made by Vendor. The TIPS Administration Fee amount is typically a set percentage of the amount paid by the TIPS Member for each TIPS Sale, less shipping cost, bond cost, and taxes if applicable and identifiable, which is legally due to TIPS, but the exact TIPS Administration Fee for this Contract is published in the corresponding solicitation and is incorporated herein by reference. TIPS Administration Fees are due to TIPS immediately upon Vendor's receipt of payment, including partial payment, for a TIPS Sale. The TIPS Administration Fee is assessed on the amount paid by the TIPS Member, not on the Vendor's cost or on the amount for which the Vendor sold the item to a dealer or Authorized Reseller. Upon receipt of payment for a TIPS Sale, including partial payment (which renders TIPS Administration Fees immediately due), Vendor shall issue to TIPS the corresponding TIPS Administration Fee payment as soon as possible but not later than thirty-one calendar days following Vendor's receipt of payment. Vendor shall pay TIPS via check unless otherwise agreed to by the Parties in writing. Vendor shall include clear documentation with the issued payment dictating to which sale(s) the amount should be applied. Vendor may create a payment report within their TIPS Vendor Portal which is the preferred documentation dictating to which TIPS Sale(s) the amount should be applied. Failure to pay all TIPS Administration Fees pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion as well as the initiation of collection and legal actions by TIPS against Vendor to the extent permitted by law. Any overpayment of participation fees to TIPS by Vendor will be refunded to the Vendor.

within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date that TIPS received the payment will render the overpayment non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect TIPS Administration Fees due to TIPS pursuant to this Agreement.

- 12. Term of the Agreement.** If awarded, the resulting Agreement with TIPS is for approximately five years with a one-year, consecutive option for renewal as described herein. Renewal options are not automatic and shall only be effective if offered by TIPS at its sole discretion. If TIPS offers a renewal option, the Vendor will be notified via email issued to Vendor's then-listed Primary Contact. The renewal option shall be deemed accepted by Vendor unless Vendor notifies TIPS of its objection to the renewal option in writing and confirms receipt by TIPS.

Actual Effective Date: Agreement is effective upon signature by authorized representatives of both Parties. The Effective Date does not affect the "Term Calculation Start Date."

Term Calculation Start Date: To keep the contract term consistent for all vendors awarded under a single TIPS contract, Vendor shall calculate the foregoing term as starting on the last day of the month that "Award Notifications" are anticipated as published in the Solicitation, regardless of the actual Effective Date.

Example of Term Calculation Start Date: If the anticipated "Award Date" published in the Solicitation is May 22, 2023, but extended negotiations delay award until June 27, 2023 (Actual Effective Date), the Term Calculation Start Date shall be May 31, 2023 in this example.

Contract Expiration Date: To keep the contract term consistent for all vendors awarded under a single TIPS contract, the term expiration date shall be five-years from the Term Calculation Start Date.

Example of Contract Expiration Date: If the anticipated "Award Date" published in the Solicitation is May 22, 2023, but extended negotiations delay award until June 27, 2023 (Actual Effective Date), the Term Calculation Start Date shall be May 31, 2023 and the Contract Expiration Date of the resulting initial "five-year" term, (which is subject to an extension(s)) will be May 31, 2028 in this example.

Option(s) for Renewal: Any option(s) for renewal shall begin on the Contract Expiration Date, or the date of the expiration of the prior renewal term where applicable, and continue for the duration specified for the renewal option herein.

Example of Option(s) for Renewal: In this example, if TIPS offers a one-year renewal and the Contract Expiration Date is May 31, 2028, then the one-year renewal is effective from May 31, 2028 to May 31, 2029.

TIPS may offer to extend Vendor Agreements to the fullest extent the TIPS Solicitation resulting in this Agreement permits.

- 13. TIPS Pricing.** Vendor agrees and understands that for each TIPS Contract that it holds, Vendor submitted, agreed to, and received TIPS' approval for specific pricing, discounts, and other pricing terms and incentives which make up Vendor's TIPS Pricing for that TIPS Contract ("TIPS Pricing"). Vendor confirms that Vendor will not add the TIPS Administration Fee as a charge or line-item in a TIPS Sale. Vendor hereby certifies that Vendor shall only offer goods and services through this TIPS Contract if those goods and services are included in or added to Vendor's TIPS Pricing and approved by TIPS. TIPS reserves the right to review Vendor's pricing update requests as specifically as line-item by line-item to determine compliance. However, Vendor contractually agrees that all submitted pricing updates shall be within the original terms of the Vendor's TIPS Pricing (scope, proposed discounts, price increase limitations, and other pricing terms and incentives originally proposed by Vendor) such that TIPS may accept Vendors price increase requests as submitted without additional vetting at TIPS discretion. Any pricing quoted by Vendor to a TIPS Member or on a TIPS Quote shall never exceed Vendor's TIPS Pricing for any good or service offered through TIPS. TIPS Pricing price increases and modifications, if permitted, will be honored according to the terms of the solicitation and Vendor's proposal, incorporated herein by reference.

- 14. Indemnification of TIPS.** VENDOR AGREES TO INDEMNIFY, HOLD HARMLESS, AND DEFEND TIPS, TIPS MEMBERS, TIPS OFFICERS, TIPS EMPLOYEES, TIPS DIRECTORS, AND TIPS TRUSTEES (THE "TIPS INDEMNITEES") FROM AND AGAINST ALL CLAIMS AND SUITS BY THIRD-PARTIES FOR DAMAGES, INJURIES TO PERSONS (INCLUDING DEATH), PROPERTY DAMAGES, LOSSES, EXPENSES, FEES, INCLUDING COURT COSTS, ATTORNEY'S FEES, AND EXPERT FEES, ARISING OUT OF OR RELATING TO VENDOR'S PERFORMANCE UNDER THIS AGREEMENT (INCLUDING THE PERFORMANCE OF VENDOR'S OFFICERS, EMPLOYEES, AGENTS, AUTHORIZED RESELLERS, SUBCONTRACTORS, LICENSEES, OR INVITEES), REGARDLESS OF THE NATURE OF THE CAUSE OF ACTION, INCLUDING WITHOUT LIMITATION CAUSES OF ACTION BASED UPON COMMON, CONSTITUTIONAL, OR STATUTORY LAW OR BASED IN

WHOLE OR IN PART UPON ALLEGATIONS OF NEGLIGENT OR INTENTIONAL ACTS OR OMISSIONS ON THE PART OF VENDOR, ITS OFFICERS, EMPLOYEES, AGENTS, AUTHORIZED RESELLERS, SUBCONTRACTORS, LICENSEES, OR INVITEES. NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED TO BY TIPS. APART FROM THIS INDEMNIFICATION PROVISION REQUIRING INDEMNIFICATION OF THE TIPS INDEMNITEES' ATTORNEY'S FEES AS SET FORTH ABOVE, RECOVERY OF ATTORNEYS' FEES BY THE PREVAILING PARTY IS AUTHORIZED ONLY IF AUTHORIZED BY TEX. EDUC. CODE § 44.032(F).

- 15. Indemnification and Assumption of Risk – Vendor Data.** VENDOR AGREES THAT IT IS VOLUNTARILY PROVIDING DATA (INCLUDING BUT NOT LIMITED TO: VENDOR INFORMATION, VENDOR DOCUMENTATION, VENDOR'S PROPOSALS, VENDOR PRICING SUBMITTED OR PROVIDED TO TIPS, TIPS CONTRACT DOCUMENTS, TIPS CORRESPONDENCE, VENDOR LOGOS AND IMAGES, VENDOR'S CONTACT INFORMATION, VENDOR'S BROCHURES AND COMMERCIAL INFORMATION, VENDOR'S FINANCIAL INFORMATION, VENDOR'S CERTIFICATIONS, AND ANY OTHER VENDOR INFORMATION OR DOCUMENTATION, INCLUDING WITHOUT LIMITATION SOFTWARE AND SOURCE CODE UTILIZED BY VENDOR, SUBMITTED TO TIPS BY VENDOR AND ITS AGENTS) ("VENDOR DATA") TO TIPS. FOR THE SAKE OF CLARITY, AND WITHOUT LIMITING THE BREADTH OF THE INDEMNITY OBLIGATIONS IN SECTION 14 ABOVE, VENDOR AGREES TO PROTECT, INDEMNIFY, AND HOLD THE TIPS INDEMNITEES HARMLESS FROM AND AGAINST ANY AND ALL LOSSES, CLAIMS, ACTIONS, DEMANDS, ALLEGATIONS, SUITS, JUDGMENTS, COSTS, EXPENSES, FEES, INCLUDING COURT COSTS, ATTORNEY'S FEES, AND EXPERT FEES AND ALL OTHER LIABILITY OF ANY NATURE WHATSOEVER ARISING OUT OF OR RELATING TO: (I) ANY UNAUTHORIZED, NEGLIGENT OR WRONGFUL USE OF, OR CYBER DATA BREACH INCIDENT AND VIRUSES OR OTHER CORRUPTING AGENTS INVOLVING, VENDOR'S DATA, PRICING, AND INFORMATION, COMPUTERS, OR OTHER HARDWARE OR SOFTWARE SYSTEMS, AND; (II) ALLEGATIONS OR CLAIMS THAT ANY VENDOR DATA INFRINGES ON THE INTELLECTUAL PROPERTY RIGHTS OF A THIRD-PARTY OR VENDOR.
- 16. Procedures Related to Indemnification.** In the event that an indemnity obligation arises, Vendor shall pay all amounts set forth in Section 14 and 15 above (including any settlements) and – if it has accepted its indemnity obligation without qualification – control the legal defense to such claim or cause of action, including without limitation attorney selection, strategy, discovery, trial, appeal, and settlement, and TIPS shall, at Vendor's cost and expense (with respect to reasonable out of pocket costs and expenses incurred by TIPS which shall be reimbursed to TIPS by Vendor), provide all commercially reasonable assistance requested by Vendor. In controlling any defense, Vendor shall ensure that all assertions of governmental immunity and all applicable pleas and defenses shall be promptly asserted.
- 17. Indemnity for Underlying Sales and Supplemental Agreements.** Vendor shall be solely responsible for any customer claims or any disputes arising out of TIPS Sales or any Supplemental Agreement as if sold in the open-market. The Parties agree that TIPS shall not be liable for any claims arising out of Vendor's TIPS Sales or Supplemental Agreements, including but not limited to: allegations of product defect or insufficiency, allegations of service defect or insufficiency, allegations regarding delivery defect or insufficiency, allegations of fraud or misrepresentation, allegations regarding pricing or amounts owed for TIPS sales, and/or allegations regarding payment, over-payment, under-payment, or non-payment for TIPS Sales. Payment/Drafting, overpayment/over-drafting, under-payment/under-drafting, or non-payment for TIPS Sales between customer and Vendor and inspections, rejections, or acceptance of such purchases shall be the exclusive respective obligations of Vendor/Customer, and disputes shall be handled in accordance with the terms of the underlying Supplemental Agreement(s) entered into between Vendor and Customer. Vendor acknowledges that TIPS is not a dealer, subcontractor, agent, or reseller of Vendor's goods and services and shall not be responsible for any claims arising out of alleged insufficiencies or defects in Vendor's goods and services, should any arise.
- 18. Confidentiality of Vendor Data.** Vendor understands and agrees that by signing this Agreement, all Vendor Data is hereby released to TIPS, TIPS Members, and TIPS third-party administrators to effectuate Vendor's TIPS Contract except as provided for herein. The Parties agree that Vendor Data is accessible by all TIPS Members as if submitted directly to that TIPS Member Customer for purchase consideration. If Vendor otherwise considers any portion of Vendor's Data to be confidential and not subject to public disclosure pursuant to Chapter 552 Texas Gov't Code (the "Public Information Act") or other law(s) and orders, Vendor must have identified the claimed confidential materials through proper execution of the Confidentiality Claim Form which is required to be submitted as part of Vendor's proposal resulting in this Agreement and incorporated by reference. The Confidentiality Claim Form included in Vendor's proposal and incorporated herein by reference is the sole indicator of whether Vendor considers any Vendor Data confidential in the event TIPS receives a Public Information Request. If TIPS receives a request, any responsive documentation not deemed confidential by you in this manner will be automatically released. For Vendor Data deemed confidential by you in this manner, TIPS will follow procedures of controlling statute(s) regarding any claim of confidentiality and shall not be liable for any release of information required by law, including Attorney General determination and opinion. In the event that TIPS receives a written request for information pursuant to the Public Information Act that affects Vendor's interest in any information or data furnished to TIPS by Vendor, and TIPS requests an opinion from the Attorney General, Vendor may, at its own option and expense, prepare comments and submit information directly to the Attorney General stating why the requested information is exempt from disclosure pursuant to the requirements of the Public Information Act. Vendor is solely responsible for submitting the memorandum brief and information to the Attorney General

within the time period prescribed by the Public Information Act. Notwithstanding any other information provided in this solicitation or Vendor designation of certain Vendor Data as confidential or proprietary, Vendor's acceptance of this TIPS Vendor Agreement constitutes Vendor's consent to the disclosure of Vendor's Data, including any information deemed confidential or proprietary, to TIPS Members or as ordered by a Court or government agency, including without limitation the Texas Attorney General. Vendor agrees that TIPS shall not be responsible or liable for any use or distribution of information or documentation by TIPS Members or as required by law.

- 19. Vendor's Authorized Resellers.** TIPS recognizes that many vendors operate in the open market through the use of resellers or dealers. For that reason, TIPS permits Vendor to authorize Authorized Resellers within its Vendor Portal and make TIPS Sales through the Authorized Reseller(s). Once authorized by Vendor in the Vendor Portal, the Authorized Reseller(s) may make TIPS sales to TIPS Members. However, all purchase documents must include: (1) Authorized Reseller's Name; (2) Vendor's Name, as known to TIPS, and; (3) Vendor's TIPS Contract Name and Number under which it is making the TIPS Sale. Either Vendor or Reseller may report the sale pursuant to the terms herein. However, Vendor agrees that it is legally responsible for all reporting and fee payment as described herein for TIPS Sales made by Authorized Resellers. The TIPS Administration Fee is assessed on the amount paid by the TIPS Member, not on the Vendor's cost or on the amount for which the Vendor sold the item to a dealer or Authorized Reseller. The Parties intend that Vendor shall be responsible and liable for TIPS Sales made by Vendor's Authorized Resellers. Vendor agrees that it is voluntarily authorizing this Authorized Reseller and in doing so, Vendor agrees that it is doing so at its own risk and agrees to protect, indemnify, and hold TIPS harmless in accordance with Sections 14-17 above related to Authorized Reseller TIPS Sales made pursuant to this Agreement or purporting to be made pursuant to this Agreement that may be asserted against Vendor whether rightfully brought or otherwise. The Parties further agree that it is no defense to Vendor's breach of this Agreement that an Authorized Reseller caused Vendor of breach this Agreement.
- 20. Circumvention of TIPS Sales.** When a public entity initiates a purchase with Vendor, if the Member inquires verbally or in writing whether Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether the Member is seeking a TIPS purchase. Any request for quote, customer communication, or customer purchase initiated through or referencing a TIPS Contract shall be completed through TIPS pursuant to this Agreement. Any encouragement or participation by Vendor in circumventing a TIPS sale being completed may result in immediate termination of Vendor's TIPS Contract(s) for cause as well as preclusion from future TIPS opportunities at TIPS sole discretion.
- 21. State of Texas Franchise Tax.** By signature hereon, Vendor hereby certifies that Vendor is not currently delinquent in the payment of any franchise taxes owed to the State of Texas under Chapter 171 of the Texas Tax Code.
- 22. Termination.**
- A) Termination for Convenience. TIPS may, by written notice to Vendor, terminate this Agreement for convenience, in whole or in part, at any time by giving thirty (30) days' written notice to Vendor of such termination, and specifying the effective date thereof.
 - B) Termination for Cause. If Vendor fails to materially perform pursuant to the terms of this Agreement, TIPS shall provide written notice to Vendor specifying the default. If Vendor does not cure such default within thirty (30) days, TIPS may terminate this Agreement, in whole or in part, for cause. If TIPS terminates this Agreement for cause, and it is later determined that the termination for cause was wrongful, the termination shall automatically be converted to and treated as a termination for convenience.
 - C) Vendor's Termination. If TIPS fails to materially perform pursuant to the terms of this Agreement, Vendor shall provide written notice to TIPS specifying the default ("Notice of Default"). If TIPS does not cure such default within thirty (30) days, Vendor may terminate this Agreement, in whole or in part, for cause. If Vendor terminates this Agreement for cause, and it is later determined that the termination for cause was wrongful, the termination shall automatically be converted to and treated as a termination for convenience.
 - D) Upon termination, all TIPS Sale orders previously accepted by Vendor shall be fulfilled and Vendor shall be paid for all TIPS Sales executed pursuant to the applicable terms. All TIPS Sale orders presented to Vendor but not fulfilled by Vendor, prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. TIPS shall submit to Vendor an invoice for any outstanding TIPS Administration Fees and approved expenses and Vendor shall pay such fees and expenses within 30 calendar days of receipt of such valid TIPS invoice. Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS' sole discretion and that any Vendor may be removed from the TIPS program at any time with or without cause. This

termination clause does not affect TIPS Sales Supplemental Agreements pursuant to this term regarding termination and the Survival Clause term.

- E) Vendor hereby waives any and all claims for damages, including, but not limited, to consequential damages or lost profits, that might arise from TIPS' act of terminating this Agreement.

- 23. Survival Clause.** It is the intent of the Parties that this Agreement and procurement method applies to any TIPS Sale made during the life of this Agreement even if made on or near the Contract Expiration Date as defined herein. Thus, all TIPS Sales, including but not limited to: leases, service agreements, license agreements, open purchase orders, warranties, and contracts, even if they extend months or years past the TIPS Contract Expiration Date, shall survive the expiration or termination of this Agreement subject to the terms and conditions of the Supplemental Agreement between Customer and Vendor or unless otherwise specified herein.
- 24. Audit Rights.** Due to transparency statutes and public accountability requirements of TIPS and TIPS Members, Vendor shall at their sole expense, maintain documentation of all TIPS Sales for a period of three years from the time of the TIPS Sale. In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Vendor's TIPS Pricing or TIPS Sales with thirty-days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without said notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with Vendor's TIPS Pricing, TIPS shall have the ability to conduct the audit internally or may engage a third-party auditing firm to investigate any possible non-compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format, and at the location acceptable to TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member. These audit rights shall survive termination of this Agreement for a period of one (1) year from the effective date of termination.
- 25. Conflicts of Interest.** The Parties confirm that they have not offered, given, or accepted, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, service to the other in connection with this Agreement. Vendor affirms that, to the best of Vendor's knowledge, this Agreement has been arrived at independently, and is awarded without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement. Vendor agrees that it has disclosed any necessary affiliations with Region 8 Education Service Center and the TIPS Department, if any, through the Conflict of Interest attachment provided in the solicitation resulting in this Agreement.
- 26. Volume of TIPS Sales.** Nothing in this Agreement or any TIPS communication may be construed as a guarantee that TIPS or TIPS Members will submit any TIPS orders to Vendor at any time.
- 27. Compliance with the Law.** The Parties agree to comply fully with all applicable federal, state, and local statutes, ordinances, rules, and regulations applicable to their entity in connection with the programs contemplated under this Agreement.
- 28. Severability.** If any term(s) or provision(s) of this Agreement are held by a court of competent jurisdiction to be invalid, void, or unenforceable, then such term(s) or provision(s) shall be deemed restated to reflect the original intention of the Parties as nearly as possible in accordance with applicable law and the remainder of this Agreement, and the remainder of the provisions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, unless such holding causes the obligations of the Parties hereto to be impossible to perform or shall render the terms of this Agreement to be inconsistent with the intent of the Parties hereto.
- 29. Force Majeure.** If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement through no fault of its own then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon. Upon delivering such notice, the obligation of the affected party, so far as it is affected by such Force Majeure as described, shall be suspended during the continuance of the inability then claimed but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch. In the event that Vendor's obligations are suspended by reason of Force Majeure, all TIPS Sales accepted prior to the Force Majeure event shall be the legal responsibility of Vendor and the terms of the TIPS Sale Supplemental Agreement shall control Vendor's failure to fulfill for a Force Majeure event.
- 30. Immunity.** Vendor agrees that nothing in this Agreement shall be construed as a waiver of sovereign or government immunity; nor constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to Region 8 Education Service Center or its TIPS Department. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses,

remedies, or immunities available to Region 8 Education Service Center or its TIPS Department under this Agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.

- 31. Insurance Requirements.** Vendor agrees to maintain the following minimum insurance requirements for the duration of this Agreement. All policies held by Vendor to adhere to this term shall be written by a carrier with a financial size category of VII and at least a rating of "A-" by A.M. Best Key Rating Guide. The coverages and limits are to be considered minimum requirements and in no way limit the liability of the Vendor(s). Any immunity available to TIPS or TIPS Members shall not be used as a defense by the contractor's insurance policy. Only deductibles applicable to property damage are acceptable, unless proof of retention funds to cover said deductibles is provided. "Claims made" policies will not be accepted. Vendor's required minimum coverage shall not be suspended, voided, cancelled, non-renewed or reduced in coverage or in limits unless replaced by a policy that provides the minimum required coverage except after thirty (30) days prior written notice by certified mail, return receipt requested has been given to TIPS or the TIPS Member if a project or pending delivery of an order is ongoing. Upon request, certified copies of all insurance policies shall be furnished to the TIPS or the TIPS Member. Vendor agrees that when Vendor or its subcontractors are liable for any damages or claims, Vendor's policy, shall be primary over any other valid and collectible insurance carried by the Member or TIPS.

Any proceeding, claim, action, or alternative dispute resolution arising out of or relating to this Agreement or involving TIPS shall be brought in a State Court of competent jurisdiction in Camp County, Texas, or if Federal Court is legally required, a Federal Court of competent jurisdiction in the Eastern District of Texas, and each of the Parties irrevocably submits to the exclusive jurisdiction of said court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the proceeding shall be heard and determined only in any such court, and agrees not to bring any proceeding arising out of or relating to this procurement process or any contract resulting from or and contemplated transaction in any other court. The Parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the Parties irrevocably to waive any objections to venue or to convenience of forum.
- 36. - 39. Minimum Customer Support Requirements for TIPS Sales.** Vendor shall provide timely and commercially reasonable support for TIPS Sales or as agreed to in the applicable Supplemental Agreement.
- 40. Minimum Shipping Requirements for TIPS Sales.** Vendor shall ship, deliver, or provide ordered goods and services within a commercially reasonable time after acceptance of the order. If a delay in delivery is anticipated, Vendor shall notify the TIPS Member as to why delivery is delayed and provide an updated estimated time for completion. The TIPS Member may cancel the order if the delay is not commercially acceptable or not consistent with the Supplemental Agreement applicable to the order.
- 41. Minimum Vendor License Requirements.** Vendor shall maintain, in current status, all federal, state, and local licenses, bonds and permits required for the operation of the business conducted by Vendor. Vendor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the TIPS Agreement. TIPS and TIPS Members reserve the right to stop work and/or cancel a TIPS Sale or terminate this or any TIPS Sale Supplemental Agreement involving Vendor if Vendor's license(s) required to perform under this Agreement or under the specific TIPS Sale have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.
- 42. Minimum Vendor Legal Requirements.** Vendor shall remain aware of and comply with this Agreement and all local, state, and federal laws governing the sale of products/services offered by Vendor under this contract. Such applicable laws, ordinances, and policies must be complied with even if not specified herein.
- 43. Minimum Site Requirements for TIPS Sales (*when applicable to TIPS Sale*).**

Cleanup: When performing work on site at a TIPS Member's property, Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by the TIPS Member or as agreed by the parties. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

Preparation: Vendor shall not begin a project for which a TIPS Member has not prepared the site, unless Vendor does the preparation work at no cost, or until TIPS Member includes the cost of site preparation in the TIPS Sale Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

Registered Sex Offender Restrictions: For work to be performed at schools, Vendor agrees that no employee of Vendor or a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are, or reasonably expected to be, present unless otherwise agreed by the TIPS Member. Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the TIPS Sale at the TIPS Member's discretion. Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

Safety Measures: Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Vendor shall post warning signs against all hazards created by the operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

Smoking: Persons working under Agreement shall adhere to the TIPS Member's or local smoking statutes, codes, ordinances, and policies.

- 44. Payment for TIPS Sales.** TIPS Members may make payments for TIPS Sales directly to Vendor, Vendor's Authorized Reseller, or as otherwise agreed to in the applicable Supplemental Agreement after receipt of the invoice and in compliance with applicable payment statutes. Regardless of how payment is issued or received for a TIPS Sale, Vendor is responsible for all reporting and TIPS Administration Fee payment requirements as stated herein.
- 45. Marketing.** Vendor agrees that any logos, images, photos, writing, audio, clip art, music, data, promotional documents, or any other information or intellectual property ("Vendor Property") approved or provided by Vendor for TIPS' use are either the exclusive property of Vendor, or Vendor has all necessary rights, license, and permissions to allow TIPS use of Vendor Property. Vendor permits TIPS to use their name and logo to identify Vendor as a TIPS Awarded Vendor on the TIPS website only. All other use of Vendor's Property by TIPS shall require prior written Vendor approval. Any Vendor use of TIPS' logos, images, photos, writing, audio, clip art, music, data, promotional documents, or any other information or intellectual property ("TIPS Property") or reference to TIPS in marketing outreach requires Vendor to obtain prior written authorization from marketing@tips-usa.com which will not be unreasonably

withheld. Vendor must execute a TIPS Marketing Waiver before specific, written authorization will be granted. For any marketing outreach taken by Vendor without proper TIPS' authorization and execution of the TIPS Marketing Waiver, **Vendor shall indemnify and hold harmless TIPS and its employees, officers, agents, representatives, contractors, assignees, designees, and TIPS Members from any and all claims, damages, and judgments involving:**

- i. **Infringement of patent, copyright, trade secrets, trade or services marks, and any other intellectual or intangible property rights and/or claims arising from the Vendor's (including Vendor's officers', employees', agents', authorized resellers', subcontractors', or invitees') unauthorized use or distribution of Vendor Property.**
- ii. **Violations of privacy and data laws; and**
- iii. **Unauthorized use or distribution of TIPS Property.**

46. **Tax Exempt Status of TIPS Members.** Most TIPS Members are tax exempt entities and the laws and regulations applicable to the specific TIPS Member customer shall control.
47. **Automatic Renewal Limitation for TIPS Sales.** No TIPS Sale may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated into a TIPS Sale Supplemental Agreement shall only be valid and enforceable when Vendor received written confirmation of acceptance of the renewal term from the TIPS Member for the specific renewal term. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. Any TIPS Sale Supplemental Agreement containing an "Automatic Renewal" clause that conflicts with these terms is rendered void and unenforceable.
48. **Choice of Law Limitation for TIPS Sales.** Vendor agrees that if any "Choice of Law" provision is included in any TIPS Sale agreement/contract between Vendor and a TIPS Member, that clause must provide that the "Choice of Law" applicable to the TIPS Sale agreement/contract between Vendor and TIPS Member shall be the state where the TIPS Member operates unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing a "Choice of Law" clause that conflicts with these terms is rendered void and unenforceable.
49. **Venue Limitation for TIPS Sales.** Vendor agrees that if any "Venue" provision is included in any TIPS Sale Agreement/contract between Vendor and a TIPS Member, that clause must provide that the "Venue" for any litigation or alternative dispute resolution shall be in the state and county where the TIPS Member operates unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing a "Venue" clause that conflicts with these terms is rendered void and unenforceable.
50. **Indemnity Limitation for TIPS Sales.** Texas and other jurisdictions restrict the ability of governmental entities to indemnify others. Vendor agrees that if any "Indemnity" provision which requires the TIPS Member to indemnify Vendor is included in any TIPS sales agreement/contract between Vendor and a TIPS Member, that clause must either be stricken or qualified by including that such indemnity is only permitted, "to the extent permitted by the laws and constitution of [TIPS Member's State]" unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing an "Indemnity" clause that conflicts with these terms is rendered void and unenforceable.
51. **Arbitration Limitation for TIPS Sales.** Vendor agrees that if any "Arbitration" provision is included in any TIPS Sale agreement/contract between Vendor and a TIPS Member, that clause may not require that the arbitration is mandatory or binding. Vendor agrees that if any "Arbitration" provision is included in any TIPS Sale agreement/contract between Vendor and a TIPS Member, that clause provides for only voluntary and non-binding arbitration unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing a "Arbitration" clause that conflicts with these terms is rendered void and unenforceable.

In Witness Whereof, the parties hereto, each acting under due and proper authority, have signed this Agreement.

Yes, Vendor agrees

3
6**Minimum Percentage Discount Offered to TIPS Members on all Goods and Services (READ CAREFULLY)**

Please read thoroughly and carefully as an error on your response can render your contract award unusable.

TIPS Members often turn to TIPS Contracts for ease of use and to receive discounted pricing.

What is the minimum percentage discount that you can offer TIPS Members off of all goods and service pricing (whether offered through Pricing Form 1, Pricing Form 2, or in another accepted format) that you offer? Only limited goods/services specifically identified and excluded from this discount in Vendor's original proposal may be excluded from this discount.

Vendor must respond with a percentage from 0%-100%. The percentage discount that you input below will be applied to your "Catalog Pricing", as defined in the solicitation, for all TIPS Sales made during the life of the contract. You cannot alter this percentage discount once the solicitation legally closes. You will always be required to discount every TIPS Sale by the percentage included below with the exception of limited goods/services specifically identified and excluded from this discount in Vendor's original proposal. If you add goods or services to your "Catalog Pricing" during the life of the contract, you will be required to sell those new items with this discount applied.

Example: In this example, you enter a 10% minimum percentage discount below. In year-one of your TIPS Contract, your published "Catalog Pricing" (website/store/published pricing) for "Tablet A" is \$100 and for "Tablet Set-Up Service" is \$100. In this example, you must sell those items under the TIPS Contract at the proposed 10% discounted price of: "Tablet A" - \$90, "Tablet Set-Up Service" - \$90. In year two of your TIPS Contract, you update your "Catalog Pricing" with the market. You add "Tablet B" to your "Catalog Pricing" for \$200 and have increased the price of "Tablet A" to \$110 and the price of "Tablet Set-Up Service" to \$110. In this example, after the "Catalog Pricing" update, you must still sell those items under the TIPS Contract at the proposed 10% discounted price of: "Tablet A" - \$99, "Tablet Set-Up Service" - \$99, and "Tablet B" - \$180.00.

With the exception of limited goods/services specifically identified and excluded from this discount in Vendor's original proposal, if you cannot honor the discount on all goods and items now included or which may be added in the future with certainty, then you should offer a lesser discount percentage below.

What is the minimum percentage discount that you can offer TIPS Members off of all goods and service pricing (whether offered through Pricing Form 1, Pricing Form 2, or in another accepted format) that you offer?

3
7**Honoring Vendor's Minimum Percentage Discount**

Vendor is asked in these Attribute Questions to provide a Minimum Percentage Discount offered to TIPS Members on all goods and services sold under the TIPS Contract. Points will be assigned for your response and scoring of your proposal will be affected. A "YES" answer will be awarded the maximum 10 points and a "NO" answer will be awarded 0 points.

Does Vendor agree to honor the Minimum Percentage Discount off of their TIPS "Catalog Pricing" that Vendor proposed for all TIPS Sales made for the duration of the TIPS Contract?

3
8**Volume and Additional Discounts**

In addition to the Minimum Percentage Discount proposed herein, does Vendor ever expect and intend to offer additional, greater, or volume discounts to TIPS Members?

Point(s) may be assigned for your response in the category of "Pricing" during scoring and evaluation.

9

"Catalog Pricing" and Pricing Requirements

This is a requirement of the TIPS Contract and is non-negotiable.

In this solicitation and resulting contract, "Catalog Pricing" shall be defined as:

"The then available list of goods or services, in the most current listing regardless of date, that takes the form of a catalog, price list, price schedule, shelf-price or other viewable format that:

- A. is regularly maintained by the manufacturer or Vendor of an item; and
- B. is either published or otherwise available for review by TIPS or a customer during the purchase process;
- C. to which the Minimum Percentage Discount proposed by the proposing Vendor may be applied.

If awarded on this TIPS Contract, for the duration of the contract, Vendor agrees to provide, upon request, their then current "Catalog Pricing." Or, in limited circumstances where Vendor has proposed the Percentage Mark-Up method of pricing in this proposal, proof of Vendor's "cost" may be accepted by TIPS in place of catalog pricing.

YES

EXCEPTIONS & DEVIATIONS TO TIPS STANDARD TERMS AND CONDITIONS

Vendor agrees that, if awarded, Vendor's final TIPS Contract will consist of the provisions set forth in the finalized TIPS Vendor Agreement, Vendor's responses to these attribute questions, and: (1) The TIPS solicitation document resulting in this Agreement; (2) Any addenda or clarifications issued in relation to the TIPS solicitation; (3) All solicitation information provided to Vendor by TIPS through the TIPS eBid System; (3) Vendor's entire proposal response to the TIPS solicitation including all accepted required attachments, acknowledged notices and certifications, accepted negotiated terms, accepted pricing, accepted responses to questions, and accepted written clarifications of Vendor's proposal, and; any properly included attachments to the TIPS Contract. In the event of conflict between the terms of the finalized Vendor Agreement and one of the incorporated documents the terms and conditions which are in the best interest of governmental/qualifying non-profit TIPS Members shall control at TIPS sole discretion.

If Vendor responds, "No, Vendor does not agree" to this Attribute, after this solicitation legally closes and TIPS begins evaluating Vendor's file, TIPS will provide Vendor with a draft Word Document version of the Vendor Agreement and will be instructed to include all requested negotiations as redline edits for TIPS consideration. This is the only proper way to submit proposed deviations for TIPS consideration. TIPS reserves the right to accept, decline, or modify Vendor's requested negotiated terms. For this reason, answering "No, Vendor does not agree" may ultimately delay or prevent award.

Does Vendor agree with TIPS standard terms and conditions as presented in the TIPS solicitation document (RFP, RCSP, RFQ, or other) and the TIPS Vendor Agreement document?

Yes, Vendor agrees

TIPS Sales Reporting Requirements

This is a requirement of the TIPS Contract and is non-negotiable.

By submitting this proposal, Vendor certifies that Vendor will properly report all TIPS sales. With the exception of TIPS Automated Vendors, who have signed an exclusive agreement with TIPS regarding reporting, all TIPS Sales must be reported to TIPS by either:

(1) Emailing the purchase order or similar purchase document (with Vendor's Name, as known to TIPS, and the TIPS Contract Name and Number included) to TIPS at tipspo@tips-usa.com with "Confirmation Only" in the subject line of the email within three business days of Vendor's acceptance of the order, or;

(2) Within 3 business days of the order being accepted by Vendor, Vendor must login to the TIPS Vendor Portal and successfully self-report all necessary sale information within the Vendor Portal and confirm that it shows up accurately on your current Vendor Portal statement.

No other method of reporting is acceptable unless agreed to by the Parties in writing. Failure to report all sales pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion.

4
2

TIPS Administration Fee Requirement and Acknowledgment

This is a requirement of the TIPS Contract and is non-negotiable.

The collection of fees by TIPS, a government entity, for performance of these procurement services is required pursuant to Texas Government Code Section 791.011 et. seq. The TIPS Administration Fee is the amount legally owed by Vendor to TIPS for TIPS Sales made by Vendor. The TIPS Administration Fee amount is typically a set percentage of each TIPS Sale legally due to TIPS, but the exact TIPS Administration Fee for this Contract is published in the corresponding RFP or RCSP document. 4**2 CFR PART 200 AND FEDERAL CONTRACT PROVISIONS EXPLANATION**

TIPS and TIPS Members will sometimes seek to make purchases with federal funds. In accordance with 2 C.F.R. Part 200 of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (sometimes referred to as "EDGAR"), Vendor's response to the following questions labeled "2 CFR Part 200 or Federal Provision" will indicate Vendor's willingness and ability to comply with certain requirements which may be applicable to TIPS purchases paid for with federal funds, if accepted by Vendor.

Your responses to the following questions labeled "2 CFR Part 200 or Federal Provision" will dictate whether TIPS can list this awarded contract as viable to be considered for a federal fund purchase. **Failure to certify all requirements labeled "2 CFR Part 200 or Federal Provision" will mean that your contract is listed as not viable for the receipt of federal funds. However, it will not prevent award.**

If you do enter into a TIPS Sale when you are accepting federal funds, the contract between you and the TIPS Member will likely require these same certifications. Specifically, if Vendor utilizes the Cost-Plus Markup method anywhere in its proposal, Vendor cannot and will not be listed as federally compliant for TIPS purposes unless Vendor also certifies "Yes" in response to the Attribute entitled, "2 CFR Part 200 - Prohibition of Cost- Plus."

7
5**2 CFR Part 200 or Federal Provision - Prohibition of Cost Plus**

Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members for a TIPS Sale resulting from this procurement process which exceeds the simplified acquisition threshold, Vendor shall not utilize a cost plus a percentage of cost and percentage of cost method of contract pricing for that expenditure. If Vendor fails to certify and proposes a Cost Plus Markup Method of pricing anywhere in their proposal, Vendor will **not** be listed as federally/EDGAR compliant for TIPS purposes.

Yakima County Master Gardeners Yakima, Wash.

CHALLENGE – Updated greenhouse with climate control

SOLUTION – GrowSpan Series 1000 Double Bay Greenhouse; Year-Round Environmental Control

SIZE – 35' wide x 96' long

APPLICATION – Growing and storing plants for sale

WWW.GROWSPAN.COM • 1.877.835.9996

The Yakima County Master Gardener Program, an extension of Washington State University, is a nonprofit organization with the goal of educating home gardeners. The program is run exclusively by trained volunteers who give back to their community by providing instructional classes and growing assistance. The Master Gardeners also grow and sell starts, including annuals, perennials, herbs and vegetables. The sale of their harvests is the program's only source of funding, and therefore a vital component of their operation. A large portion of their work, including both the cultivation and the sale of their plants, is done within a greenhouse to provide the necessary coverage to operate throughout the year.

Previously, the Master Gardeners were using old, damaged greenhouses that were more of a headache than help. The constant upkeep of the old greenhouses became a distraction, and ultimately took time away from achieving their goal of fostering horticultural interest and knowledge within their community. Eventually, the old structure became too costly to repair, and it was time for an upgrade. After speaking with a GrowSpan Greenhouse Specialist and taking his recommendations into account, the Master Gardeners decided the Series 1000 Greenhouse was the perfect solution to their problems. The new structure provides the growers with significantly more control over their growing operation and many updates they had not experienced before. Beverly Vonfeld, a Master Gardener, stated, "We now have more room to work. It's a heated and cooled space, with more light and a more efficient sales space."

According to Vonfeld, one of the biggest advantages to the new structure was gaining the ability to control the climate within the greenhouse. The Yakima Master Gardeners had previously worked through the heat and frigid cold of the various seasons without additional climate control systems, restricting what they could grow and when they were able to work. Vonfeld said, "By being able to heat and cool our new structure, we can grow more plants, more successfully." Vonfeld also noted how impressed everyone is with the overall quality of the GrowSpan Series 1000 Greenhouse, stating, "The structure will last us for many years to come." Made with a galvanized-steel frame and an arched-roof design to minimize snow, ice and water buildup, the Series 1000 was built with durability in mind.

Vonfeld described her experience with GrowSpan as "terrific." She said, "Jason, our sales representative, was responsive, helpful and kind to us when we didn't really know what we were doing." Every GrowSpan Greenhouse Specialist is eager to provide expert guidance, helping growers obtain the structure best suited to their needs in order to achieve their growing goals.

Shawnee County, a county surrounding Topeka, Kansas, required a larger building for the county's road salt storage. After researching several fabric tension storage buildings, Tom Flanagan, deputy director of Public Works Shawnee County, determined an engineered ClearSpan Hercules Truss Arch Building was the right solution for his public works department.

Before their new structure was erected Shawnee Public Works used smaller structures located throughout the county, but had limited storage capacity in each of those smaller structures. Flanagan chose to construct one large ClearSpan fabric structure capable of storing approximately 2,000 tons of road salt and use this site as the central distribution point for Shawnee County Public Works.

The Shawnee County Public Works is excited to use their building for the upcoming winter, which Flanagan articulated, "We are very satisfied with our new ClearSpan building, as it gave us the ability to centralize our salt operation for this impending winter."

He also had some advice for others who were thinking about making a similar purchase, "Make certain the company selling the building fabricates, delivers, erects and warrants the completed building, and ClearSpan checked all those boxes for us."

Flanagan was impressed with the workmanship of the structure and explained, "The quality of workmanship on the fabrication and the materials used on the structure are superior."

ClearSpan employees also left a positive impression on Flanagan, "ClearSpan employees exhibited first class professionalism from our initial inquiry, to providing information through design, fabrication, delivery and installation."

CHALLENGE – Lack of outdoor learning space
SOLUTION – GrowSpan Gothic Pro Greenhouse
SIZE – 20' wide x 20' long
APPLICATION – Learning space for wellness initiative

Shanahan Middle School, in Lewis Center, OH, has been involved in wellness initiatives over the past four years to help students engage in gardening, while addressing the health benefits of consuming unprocessed food. Cynthia Walters, a teacher at the school, is also the initiator and founder of the Shanahan Middle School Greenhouse Project. She explains, "I work with the district to implement wellness-based curriculums and events, and serve as an advocate to improve lunch and snack options for students nationwide." The Shanahan Middle School Greenhouse Project marries sixth grade plant-based learning, the general science curriculum and wellness initiatives to "empower students to make healthy choices."

Walters explains, "For the last five years, we have been growing fruits and vegetables in raised garden beds and started seeds inside classrooms with some success. Based on the interest in growing food year round and the need for a centralized outdoor learning space for over 800 students, we decided to raise money for a greenhouse at the school." Once the money was raised, Walters needed to find a greenhouse that fit the needs of the school. She says, "Growers Supply was an affordable choice and our National Account Manager made the process much less cumbersome. For a school, purchasing a greenhouse involves many daunting tasks, including securing engineering plans and passing inspections. Growers Supply is a great option for those who need a commercial structure that will have engineering drawings available and clearly pass inspections."

There are many aspects of the greenhouse that impress Walters, but she especially likes how durable the structure is. She says, "Ohio had some high winds this summer that reached over 80 mph and the building had no damage at all." She is also happy with the appearance, noting that, "it looks like a commercial-grade building, but is safe for a classroom setting." Last, Walters was pleased with the fact that she could have multiple entry doors in the greenhouse. "The two doors allow for better access for students and provide great ventilation inside."

When the greenhouse was completed in January 2012, all SMS students took a tour of the greenhouse and learned about how a greenhouse works and how it would be used in the future. At the end of the school year, sixth grade science students were engaged in hands-on experiences in the structure. The greenhouse will be involved in a variety of growing projects during the 2012-2013 school year. Walters adds, "The Shanahan Greenhouse Project has brought individuals together to work as a community to promote good health. Teachers and staff from different disciplines have collaborated to implement a curriculum that offers students hands-on experience to apply their knowledge in real-life applications. Parents and staff worked many hours to construct the greenhouse, demonstrating their commitment to utilizing the structure in the years to come."

Walters believes that this structure will be a great asset for the school's curriculum. She says, "The opportunities for this greenhouse are endless. We have high expectations for the use of the structure in the future, such as creating a business to support the project. Going through the process of purchasing and constructing a greenhouse allowed me to learn and help others who are starting a greenhouse project. I am glad I helped build the structure so I have full knowledge of the project from beginning to end."

APPLICATION – Education and Production

For more on the greenhouse project at Montgomery Central High School, email Chris Boner at Christopher.Boner@cmcss.net.

Montgomery Central High School (MCHS) is a public school located in Cunningham, Tennessee. The school offers a variety of courses in many different subjects, as well as extracurricular activities that include sports, music, theater and a long list of additional clubs. Christopher Boner, the Agriculture Education teacher at MCHS, purchased two GrowSpan Series 2000 Commercial greenhouses from Growers Supply to help kick off the school's newest programs, Plant Pathway and Academy, which focus on teaching agriculture and growing sustainable produce.

With this new initiative at MCHS, Christopher decided he needed these greenhouses to house the program's hydroponic and traditional bedding plants growing classes. "We are beginning a hydroponic lettuce and tomato system hopefully beginning this fall, and our second greenhouse will be traditional bedding plants," said Christopher. Many schools are embracing these agriculture programs in rural areas, such as Cunningham, Tennessee. Christopher said he is excited to teach his students about these cutting edge techniques, "Many of the students have never heard of hydroponic growing, so I'm excited to introduce them to this style of production within our GrowSpan greenhouses."

Christopher was drawn to Growers Supply by the one-stop shopping experience, "I picked Growers Supply, because I could buy the GrowSpan Series 2000 Commercial Greenhouses, HydroCycle Pro NFT Hydroponic systems and all excess growing equipment within the same company." Christopher is delighted by the amount of plants he can fit inside the school's greenhouses along with the aesthetically pleasing look of the structures on the school's campus. Christopher added, "My account manager Karen was great; she helped me through the entire process and was a pleasure to do business with."

Northern Moraine Wastewater Reclamation District

Island Lake, Ill

CHALLENGE – Sewage sludge exposed to the elements

SOLUTION – Two Hercules Truss Arch Buildings

SIZE – 65' wide x 70' long

APPLICATION – Covered sludge beds

Raw sewage storage is something all municipalities must handle in order to keep local water sources safe. In Illinois, the Northern Moraine Wastewater Reclamation District is responsible for serving three communities in the Island Lake area with a total population of about 12,000 people. To dispose of the sewage, this facility must process it so that it can eventually be discharged into a nearby river. Northern Moraine WRD treats approximately 1.1 million gallons of water per day.

For more information on Northern Moraine Wastewater Reclamation District's fabric structures, email Todd Sheridan at Todd@nmwrd.org.

The facility had been storing treated and dried biosolids, or sewage sludge, outside for a long period of time. Operations Supervisor Todd Sheridan explains, "The material got wet every time it rained or snowed, causing odor concerns and raising disposal costs." Sheridan knew the facility needed covered storage space for the sludge beds and began researching his options.

Northern Moraine WRD receives catalogs regularly from one of ClearSpan's affiliate companies and Sheridan discovered Hercules Truss Arch Buildings inside one of his copies. He says, "The price of ClearSpan Fabric Structures and the company's great customer service were both selling points. Other companies with similar products were very unresponsive." Sheridan decided on two 65' wide by 70' long Hercules Truss Arch Buildings to cover the sludge beds.

Sheridan is very pleased with the buildings, noting that they are "working out wonderfully!" He is happy with the affordable price and the construction timeline. "They were assembled in less than a week." He adds, "The light that comes through the covers is great." Currently, both structures are storing sewage sludge, but Sheridan says, "I'm sure we will find even more uses for the buildings down the road."

Highlands County Road & Bridge Department

Sebring, FL.

CHALLENGE – Storing supplies for emergency response

SOLUTION – Metal Beam Building

SIZE – 40' wide x 60' long

APPLICATION – Emergency supply storage

Having started with the Highlands County Road and Bridge Department back in 2015, Operations Supervisor Chris Pruzinsky knows firsthand the importance of having an adequate storage facility. In the past, Pruzinsky and his team have had to rely on various buildings on their property, which failed to meet their needs and became an inconvenience.

Eventually, the road and bridge department decided to seek out a new building solution, so they could store all their supplies in one protected space and work more efficiently when responding to emergencies. As a member of Sourcewell, the county was able to choose from an extensive database of contracted building suppliers, where they discovered ClearSpan.

“We found ClearSpan on Sourcewell, which makes it easier to do business with a company,” said Pruzinsky. Sourcewell is a government agency that provides its members with cooperative purchasing contracts under the guidance of the Uniform Municipal Contracting Law. Through this process, businesses and municipalities are able to skip the bidding process, saving time, effort and money, while getting the building or product they need from a trusted, reputable source.

After conducting his search, Pruzinsky opted for one of ClearSpan's Metal Beam Buildings, which are known for their strength, longevity and spacious interiors. At 40' wide by 60' long, the structure features no interior support posts, maximizing the department's usable area for storing emergency supplies. “There's way more room in here than the buildings we were using before,” said Pruzinsky. “It has improved our ability to respond to emergencies, like hurricanes, and it also frees up the space we were borrowing to be used for other applications.”

The road and bridge department appreciated the streamlined process of doing business with ClearSpan. Facilitated by Sourcewell, their entire project was expedited, and ClearSpan's Building Specialists were able to provide them with a smooth, stress-free experience. “ClearSpan was a great company to work with,” said Pruzinsky. “They helped us in every way to get the job done right, even providing plans for the building and floor foundation ahead of time, which was very useful.”

Illinois Department of Transportation Pontiac, Ill.

CHALLENGE – Limited salt storage capacity

SOLUTION – Hercules Truss Arch Building

SIZE – 83' wide x 198' long

APPLICATION – Salt storage

The Illinois Department of Transportation (IDOT) - Pontiac Maintenance Facility District 3, is one of several strategically placed facilities throughout Illinois charged with maintaining state owned roads, highways and bridges. This facility has been in continuous operation since the late 1950's.

Before 2015, the IDOT's salt had generally been stored in traditional salt domes or smaller salt box style, open front bins. The dome buildings have high initial costs for various reasons and require substantial maintenance over the life of the building. In addition, the volume of stored material is limited by the diameter of the dome, generally allowing for only 2,000 to 2,800 tons of stored salt per building. With storage capacity in mind, the IDOT began to consider a larger, fabric structure, aiming to replace the dome building being used in their Pontiac location.

Jeff Baity of Matocha Associates, who was the project designer and manager on the project, said, "The objective of this building was to provide an alternate building style that has a more effective dollar-storage volume capacity rate, while also having lower maintenance costs long term." Baity continued, "The goal was to construct one building capable of storing 10,000 standard tons of salt, which would be compatible to the IDOT's operations." By comparison, this volume of salt would take four to five conical dome structures to house, saving the department lots of money.

Baity presented three manufacturers capable of executing the project to the contractors, and they ultimately chose a 83' wide by 198' long ClearSpan fabric structure. Baity was exalted by the contractors' decision, "From the perspective of the designer, the sales and tech team at ClearSpan by far outperformed the other manufacturers in terms of supplying critical information for our design."

ClearSpan buildings have no internal support posts, providing the IDOT with room for 10,500 tons of salt and an additional 4,000 square feet for equipment storage in the off-season. Baity said, "I was able to provide IDOT with a building capable of holding their salt quantities, while also providing them with a 100 percent indoor work environment." Another benefit of the ClearSpan building is the abundance of natural light provided by the fabric cover. The IDOT chose the heavier 28 oz. vinyl fabric cover, and Baity reported, "You do not need to turn a light on in the building, even on rainy days." They can now work inside the building all day and never have to use any energy to illuminate it.

Baity has checked in with the staff and reported, "They thoroughly enjoy the work environment the building provides, and I'm told even the delivery drivers like the building, because of its spacious interior and ease of staging and dropping their loads." Baity added, "The real benefits will come this winter during the first major snow event. Plow drivers and the loading operator have never experienced indoor loading of their trucks, and it should really help expedite the process."

Iowa State University Extension

Lewis, Iowa and Ames, Iowa

CHALLENGE – Completing research projects

SOLUTION – GrowSpan High Tunnels

SIZE – Two 30' wide x 12' high x 96' long

APPLICATION – Research and demonstration projects

The extension program at Iowa State University received funding in 2007 to put up two GrowSpan High Tunnels. Linda Naeve, Extension Program Specialist and coordinator for this project, explains, "One GrowSpan High Tunnel was constructed at the ISU Armstrong Research and Demonstration Farm near Lewis, Iowa and the other at the ISU Horticulture Research Farm near Ames, Iowa. We use the two structures for research and demonstration projects. The same crops and systems are used in both to get data from different locations."

The extension crop specialist, Dr. Hank Taber, focuses on season extension and continuous production of high-value crops, and Naeve focuses on sustainable practices with an emphasis on organic pest management strategies. Naeve continues, "The Leopold Center for Sustainable Agriculture provided grant funding to support the development of a high tunnel production manual for Iowa and three in-depth production workshops."

According to Naeve, the biggest benefit of growing in high tunnels is "the quality of fruits and vegetables produced in the high tunnels. High tunnel agriculture allows more exact control over the water, fertilizer and management strategies and minimizes disease problems." Naeve also discovered that high tunnels allow high crop production and return even when the growing area is small. She says, "Some crops grossed \$6,000 to \$8,000 per tunnel."

Because of the cold Iowa winters, the high tunnels were not being used from November through mid-March. Last year it was decided to test out year-round production in the Lewis high tunnel. Naeve explains, "We planted 1,300 tulip bulbs just before Thanksgiving with the hopes to have cut flowers for the Easter market. We did! The local florists were amazed at the stem length, bloom quality and vase life as compared to shipped cut tulips."

For any producers looking to start growing in high tunnels, Naeve suggests, "Determine your market first, and grow high-value crops with high return on off-season production. Combine high tunnels with field production for a continuous supply for the market."

She concludes, "I have been inspired by the potential of high tunnel production—its simple technology, economical price and crop quality. I am seriously considering putting up a high tunnel (or two) on my own small farm to raise vegetables and perhaps expand into a 'retirement business'."

Bridgehampton Union Free School

Bridgehampton, N.Y.

CHALLENGE – Controlled growing environment for instruction

SOLUTION – GrowSpan Gothic Premium Greenhouse

SIZE – 30' wide x 36' long

APPLICATION – Space to use as a laboratory, growing area and classroom for students

Bridgehampton Union Free School is a small pre-kindergarten through 12th grade school set in an area with a centuries-old agricultural history. Judiann Carmack-Fayyaz, a teacher, says the school “has made a commitment to promote good nutritional practices and healthy eating habits in school-aged children.” With a lack of growing space, the students and teachers were forced to grow their crops on a plant stand with all artificial lighting in an unheated storage area in the school’s basement. The students at Bridgehampton were having little success and needed a better growing space to enhance their learning.

For more information on how Growers Supply helped Bridgehampton Union Free School, please contact Judiann Carmack-Fayyaz at jcfayyaz@gmail.com.

After receiving a recommendation from a local farmer, who is also a parent at the school, Carmack-Fayyaz and Bridgehampton Union Free School chose a GrowSpan Gothic Premium Greenhouse from Growers Supply as their new laboratory, growing space and classroom. Carmack-Fayyaz explains, “As a place to teach students botany and agricultural production, the greenhouse is invaluable.”

Due to the large open space the greenhouse provides, Bridgehampton Union Free School has found some surprise benefits of the structure. Says Carmack-Fayyaz, “Ironically, the greenhouse has become our largest classroom space in the school. It has been used for meetings, fundraisers and for growing produce for our school cafeteria.” She continues, “The greenhouse has provided a wonderful learning space for a group of motivated students who are quite unique and do not necessarily fall within the mainstream of the student population.”

The Bridgehampton Union Free School was able to outfit their greenhouse with all the accessories they needed to create the ideal growing environment for their students. Some of these accessories include a heater, exhaust fans and thermostat, all from Growers Supply. Carmack-Fayyaz concludes, “The greenhouse has created an environment which not only nourishes plants, but also nourishes children. The greenhouse and garden have created close friendships among our students, who come regularly on weekends and during the summer to spend time taking care of the plants. We are very happy.”
