

Help protect your students and staff and keep them safe

Make sure you're stocked up on supplies and prepared to respond quickly. Our regular on-site service has you covered — including replenishment of the first aid supplies you select, restocking of the safety products and PPE of your choice, AED servicing and safety training.

**FIRST AID CABINETS**

No need to shop for first aid supplies. Our regularly scheduled service keeps you consistently stocked with supplies you select, and helps you be more prepared for illnesses or injuries.

**SAFETY SUPPLIES AND PPE**

Keeping your staff safe is essential. Rely on our van-delivered service and have peace of mind that your selected safety supplies and personal protective equipment will be in stock.

**AED PRODUCTS AND SERVICES**

Be prepared for sudden cardiac arrest (SCA), the number one killer in the workplace, with an Automated External Defibrillator (AED) from Cintas.

**SAFETY TRAINING**

Empower your staff and keep them up to date with safety training. Our classes are offered on-site or online, depending on your needs.

**WATERBREAK®**

Keep students and staff hydrated with WaterBreak, an all-in-one service providing consistent, affordable and better-tasting filtered drinking water.

**EYEWASH SERVICE**

Be confident that your eyewash stations are functioning and **ready™** for an emergency, through routine inspection and service that includes draining and cleaning.
