

Help protect your employees and keep them safe

Make sure you're stocked up on supplies and prepared to respond quickly. Our regular on-site service has you covered — including replenishment of the first aid supplies you select, restocking of the safety products and PPE of your choice, AED servicing and safety training.

FIRST AID CABINETS

No need to shop for first aid supplies. Our regularly scheduled service keeps you consistently stocked with supplies you select, and helps you be more prepared for illnesses or injuries.

SAFETY SUPPLIES AND PPE

Keeping your employees safe is essential. Rely on our van-delivered service and have peace of mind that your selected safety supplies and personal protective equipment will be in stock.

AED PRODUCTS AND SERVICES

Be prepared for sudden cardiac arrest (SCA), the number one killer in the workplace, with an Automated External Defibrillator (AED) from Cintas.

SAFETY TRAINING

Empower your employees and keep them up to date with safety training. Our classes are offered on-site or online, depending on your needs.

WATERBREAK®

Keep employees and visitors hydrated with WaterBreak, an all-in-one service providing consistent, affordable and better-tasting filtered drinking water.

EYEWASH SERVICE

Be confident that your eyewash stations are functioning and **ready™** for an emergency, through routine inspection and service that includes draining and cleaning.
