## Qualifications Statement

Established in 1981, Entech, an employee owned firm, has been the premier service organization in Texas for over 25 years. Our commitment to providing a fast response to customer needs has earned us this reputation. Unlike many traditional HVAC service companies, Entech has diversified to offer customers all the services needed for their facilities including:

- **Commercial HVAC Installation and Service**
- **Building Automation / Temperature Controls Installation and Service**
- **Energy Management System Installation and Service**
- **Security Systems / Access Control / Video Surveillance Installation and Service**
- **Portable HVAC Equipment Rentals**
- **Portable Generator Rentals**
- **Infant Protection Systems**
- **Fire Alarm Systems Installation and Service**
- **Plumbing Installation and Service**
- **Water Treatment for HVAC systems – Open or Closed Loops**
- **Generator Service**
- **Boiler Service**
- **Engineering and Construction Services**
- **Renewable Energy – Wind, Solar, Tankless Water Heaters**

## Bonding Capabilities

Entech is capable of bonding projects in excess of \$10 million dollars.
