Students Above All

- Save time with a one-stop shop for tracking student progress toward graduation.
- Reduce administrative tasks and reclaim time for student-facing support.
- Unlock powerful data to guide student conversations and planning.

Simplifying Complexity

- Efficiently track, aggregate, and report on overall graduation completion data.
- Easily access analytics to monitor accountability measures.
- Streamline college and career readiness data for program tracking and monitoring.

Advancing Education

- Understand student progress with easy-to-read reports.
- Access up-to-date data to ensure graduation requirements are met.

“Pathways will revolutionize school counseling and save us countless hours from not having to manually audit transcripts and check in multiple places/spreadsheets for data!”

— Ericka Echelbarger, Director of Student Services
