

The Summit Truck is a revolutionary flagpole component. Universal capability for internal and external flagpole applications make it the most convenient product to have on a service truck as well as new flagpole installations. In addition, the Acetal CoPolymer construction provides long lasting and more reliable installations compared to cast aluminum. Assembled with a Deep Groove sealed bearing and all stainless-steel hardware, the Summit will survive any environment hot, cold, wet or dry.

## Features

- Universal Integral Pulley Assembly for 1/8" Wire Cable or 1/4", 5/16" and 3/8" Rope Halyard
- Universal Single Halyard Internal or External, Stationary or Revolving Kit included as Standard
- Double Halyard External Revolving option available upon request
- Deep Groove sealed bearing fitted to a 0.004" tolerance in the truck base to eliminate truck leaning or "wobble"
- Constructed with precision accuracy and fit for an aesthetically pleasing finished assembly
- Able to withstand 750 lbs. PSI and over 1,400 lbs. vertical strain
- Dual-Bushings prevent halyard seizing between pulley and pulley shield in external halyard application
- Available as Satin/Silver, Black, Bronze and White Standard

## Specifications

- Acetal Copolymer polyoxymethylene (POM)
- Reusable Locking and Vibration Resistant Stainless-Steel Fasteners
- Operating Temperature -40°F to 248°F
- UV and Chemical Resistant Properties
- Accommodates up to 4.5" Shaft Top Diameter
- 1 1/4" NPT threaded Spindle
- Dimensions: 6" Cap Top, 6.5" Cap Base, 6.75" Overall Height
- Weight: 3 lbs. 6 oz

United States Patent Pending 17/693,008

## Accessories (Order as separate line items)

**SMT-SPK** = Spare Parts Kit    **SAT** = Satin/Silver    **BLK** = Black  
   **BRZ** = Bronze            **WHT** = White  
   **CUS** = Custom\*

**Ordering Example: SMT-SPK-SAT**

- 2 Qty 1/4" x 4", 18-8 Stainless Steel Truck Cap Bolts
- 2 Qty 1/4" Flanged Retaining Nuts for 4" Truck Cap Bolts
- 2 Qty 1/4"-20 Truck Cap Nuts 1 Qty Truck Cap Plug -Alternate Pulley Location
- 2 Qty Truck Base Stop Pins
- 1 Qty 1/2" NPT Truck Cap Plug
- 1 Qty 1/2-13 Truck Cap Ornament Adapter
- 1 Qty 5/8-11 Truck Cap Ornament Adapter
- 2 Qty Truck Cap Hex Plugs
- 1 Qty 3/16 Hex and 1 qty 5/32 Hex Allen Key Wrench

**SMT-DPK** = Double Pulley Kit

- 1 Qty Truck Pulley
- 1 Qty 5/18-18 Pulley Mounting Screw
- 2 Qty Stainless Steel Halyard Bushing and C-clips
- 1 Qty 3/16 Hex Allen Key Wrench
