BUSINESS ENTITY INFO

AWARDED VENDOR

Our core services include:

- **User-Centered Design (UX/UI):** Data-informed, research-driven wireframes and interface design for intuitive digital services
- **IT & Digital Strategy Consulting:** Technology assessments, systems updates, website modernization, and cloud migration tailored to institutional needs
- **Custom Application Development:** Scalable, secure, and mobile-responsive web and SaaS solutions for public use
- **Agile Project Management:** Flexible, iterative delivery that speeds up deployment while staying compliant and aligned with stakeholder's needs
- **Branding & Graphic Design:** Multilingual digital branding, visual identity systems, and creative communications for civic engagement

We proudly serve school districts, colleges, cities, and state agencies with digital services that put quality, accessibility (WCAG 2.1 AA), and equity first. Our experienced, cross-functional teams thrive in complex

environments—delivering solutions that are not only technically solid but truly mission-driven.

Best of all, by partnering with us through our TIPS contract, public agencies can skip long RFP cycles and tap into our expertise quickly and easily.

We're here to make great ideas happen—seamlessly.
