BACK-TO-SCHOOL SOLUTIONS

Achieve CDC COVID mitigation strategies with single source simplicity.

Return[™]
Healthy learning. **Together.**

The COVID pandemic confronts your school with a daunting responsibility – protecting the health of every student and staff member in your charge. But fortunately, you have help.

Professionals you can count on.

Federal relief provides the funding you need for barriers, signage, and PPE. The CDC offers smart strategies to help you keep people safe. Takeform brings the proven products and support you need to successfully execute those strategies.

The protection you need. One solution. One source.

Return delivers a complete suite of products including, screens, shields, PPE stations, signage, and cleaning stations designed and engineered for school environment rigors – all backed by Takeform's *unconditional guarantee*.
