ENERGY EFFICIENT LIGHTING SOLUTIONS

## AN EASIER WAY TO PURCHASE

### About Valderrama Energy Services

Valderrama Energy Services (VES) is a certified minority/woman owned and operated company that provides turnkey retrofit lighting solutions to organizations such as federal and college campuses, municipalities, K-12 and medical facilities.

VES' niche is to bring an outdated facility to current lighting and controls technology by evaluating a facility's existing conditions and designing state of the art lighting.

VES has been designing and installing lighting upgrade projects for the past 7 years.

We are experts in lighting and know what it takes to deliver a lighting retrofit project with minimal disruption over the shortest timeframe.

### About TIPS

Founded in 2002, The Interlocal Purchasing System (TIPS), allows Education, Government and Non-Profit Agencies to purchase from any of their Awarded Vendors without having to competitively solicit and procure the products and services themselves. Established with over a decade of experience in the purchasing procurement industry, TIPS makes purchasing for their Members easy, compliant and economical.

Their competitively bid contracts streamline the purchasing process saving Members both time and money. This process offers opportunities for greater efficiency in pricing and delivery of goods and services by contracting with their high quality Vendors, such as VES.
