Overview

RT London is designing, building, and delivering furnishings for the first night, the all-nighters, and the lifelong memories made at school. We are passionate about providing products that enhance brands while supporting the lifestyle of students. Our furniture encourages collaboration without sacrificing useability or dependability. Everything from beds and lounge seating to tables and chairs are made with pride in our two US based manufacturing facilities. We also proudly serve other markets such as Human Services (Supportive and Transitional Housing, Healthcare, Behavioral Health), Government (such as Barracks Housing and Fire Stations), Hospitality, Corporate, and Worship Spaces. We can customize products to fit your needs and vision. Our design team will help you every step of the way.
