Overview

Jack Cartwright Inc. (DBA Boss Design) has been in business since 1963 and offers a wide range of products including Chairs & Stools, Lounge Seating, Modular Seating, Task Chairs, Tables, Media Units, Focus Booths, and Pods. We can customize many of our product lines so we can provide the perfect solution for many project needs.

We work with Dealers, Designers and End Users to ensure projects go smoothly from concept to the finished project, and beyond. We have experience working with all different types of customers including Higher Education, Government Entities, Financial Institutions, and City and State Entities. Our new State of the Art website provides all the necessary tools including specification sheets, beautiful brochures, and professional photography of our products.

As Europe's leading seating manufacturer, Boss Design is known throughout the world for its pioneering developments, commitment to design and manufacturing excellence. We have four Global Manufacturing Hubs, and the US Hub is located in High Point, NC.

The Environment and Sustainability are very important to us, and we are fully committed to protecting and continually improving the quality of our working and local environments. We are committed to working proactively with, and communicating this policy to our employees, clients, contractors, and all other external interested parties to achieve a safer, cleaner, healthier, and sustainable environment.
