### Overview

*For the last 2 decades Aeries has successfully implemented over 600 clients. Continually adapting and growing to meet the needs of educators Aeries offers ancillary products to round out the district SIS experience. Aeries Analytics provides an easy to view, snapshot of customized data dashboards. Aeries Online Enrollment provides parents a comprehensive enrollment process for easy data entry for school districts. With over 20 years experience in PK -12 education, Aeries Support Staff can provide the best experience for users. We at Aeries Education Solutions feel personally challenged to provide quality software for all schools and districts.*
