Overview

Med Solutions LLC of Alpharetta, GA, boast over 20 years of experience in the healthcare sector. We are a SAM-registered Federal Government-approved vendor, with an impressive portfolio of State and Federal Government-funded clients.

Our specialist division, threeUV, offers the largest portfolio of air, surface and water UV-C infection prevention technology in the United States. We market a broad range of UV-C solutions that support the Education sector. Our technology lowers infection rates and reduces student absenteeism. Products include: UV-C air cleaning solutions, fully autonomous UV-C robots, remotely operated UV-C disinfection carts, UV-C wands, and UV-C water solutions.

In the midst of a pandemic, our expertise is being sought by many types of Govt. customer - Public School districts, Federal Retirement Homes, Fire Departments, VA Medical Centers to name a few. We design infection prevention solutions that protect facilities and provide a safer environment for employees, patients, students and teachers.
