Overview

We founded Venue Industries in 2007 to spawn creative, custom furniture solutions for commercial spaces. With the demand for custom furniture on the rise, designers and procurement firms needed a quick fix, so we stepped in. Venue Industries is headquartered in sunny Tampa, Florida. We are a commercial furniture manufacturer with an eye for innovation and design. We offer product design, furniture layouts, built-to-order domestic products and a diverse product mix for all commercial industries. We continue to move the needle in these segments of hospitality and contract furniture: offices, restaurants, hotels, entertainment centers, colleges, healthcare, etc.
