### Overview

*Established in 2006 and headquartered in New Jersey, Technomax stands as a beacon of innovation in the technology consulting sector. Our firm is distinguished by its non-traditional approach and market-disruptive ethos, steadfastly committed to redefining the delivery of IT services. With a bold mission to challenge the status quo, we leverage our extensive global presence, including strategic offices in India and Canada, to serve our diverse clientele. At Technomax, our philosophy is centered on forging cutting-edge technology partnerships and deploying optimized delivery models that encompass onshore, nearshore, and offshore resources. This multifaceted approach enables us to provide tailored, efficient, and scalable solutions to meet the evolving needs of our clients. Our expertise spans a comprehensive suite of services, with key offerings that include End-to-End Data Management, Data Governance, Master Data Management, ERP Application development and Digital transformation. Additionally, we are at the forefront of advising on Governance, Risk & Compliance, as well as Financial Risk and fraud detection, ensuring our clients not only navigate but also thrive in the complex regulatory and technological landscape of today's digital world. Further we specialize in IT Staff Augmentation services and meet the needs for almost all technology and skills.*
