Overview

Safety Prosource is a certified Woman-Owned supplier of personal protective equipment (PPE) with over 35 years of experience in global supply chain and distribution. We are committed to providing emergency responder supplies and equipment that relate to the prevention or remediation of pathogens including, but not limited to, those that spread the virus known as COVID-19. With end-to-end flexibility and distribution capabilities, Safety Prosource's vast, integrated network of suppliers, manufacturers, and distributors work behind the scenes to support your PPE program. Product quality and public safety are our top priority which is why we guarantee that our products meet all safety regulations and quality guidelines.
