Overview

FluxLight, Inc. was founded in 2003 in Irving, Texas and sells optical interconnect products for use in fiber optic networking, including: transceivers, media converters, jumper cables, patch cables and accessories. Since our inception, FluxLight has sold and supported products used in fiber optic networks for: small businesses, fortune 500 corporations, government agencies, and educational institutions around the globe. FluxLight has fulfilled over 25,000 orders for thousands of satisfied customers.

FluxLight is convinced that it's own success is based on the success of its customers. That success is achieved by offering top quality products backed with great customer service. We know you have many choices of where to buy so we do our best to provide the best optical interconnect products, at the best prices with the best support you will find anywhere.
