Overview

Award winning electrical contractor licensed in Texas, Oklahoma, and Arkansas. We specialize in LED lighting. NegaWatt Partners is an innovative provider of LED lighting and control retrofits, design, and installation products and solutions. We partner with industry-leading manufacturers to provide our customers with the highest quality of products on the market while attaining their energy efficiency goals and providing professional improvements to their facilities. We provide free audits accompanied by a thorough consultation with one of our project managers. You can feel confident that we offer a project plan that is right for your unique needs because we work alongside you to understand your vision, budget, and schedule. Contact us to discuss your options for flexible project financing! Our number one priority is to provide our customers with an experience that keeps on giving. That's why we provide industry-leading materials, exceptional service, reliable warranties, and a team of highly qualified installation specialists. We want you to feel 100% satisfied with your lighting project. Our team is always happy to help.
