Overview

Anonymous Alerts® patented anti-bullying app helps combat bullying and other negative activity in schools by empowering students to come forward to help themselves and other students. Social and peer pressures are some of the hardest obstacles for students to overcome, and now they can report bullying and safety issues quickly using Anonymous Alerts®. Students or parents in the school community can anonymously submit suspicious activity, safety threats, bullying, drug abuse, depression, harassment, family issues and self-harm issues to school administrators or counselors. Students can establish 1-way or anonymous 2-way communications® with a school official about an incident. The Anonymous Alerts® mobile app is available for free to download from the Apple Store, Google Play store, and the Chrome store.
