Overview

SCG Fields, LLC is a turnkey sports specific general contractor. We specialize in the construction of both high-performance natural grass & synthetic turf systems, running tracks, lighting systems, bleachers, and all other components of sports facilities. We construct each and every component of natural and synthetic turf fields at all levels of competition – professional, college, high school, and parks and recreation – from excavation and sub base through installation and maintenance. Our credentials are unparalleled, and for years, legendary sports facilities have depended on SCG Fields's expertise and long-standing track record. We are one of the nation's most trusted sources for superior quality construction of highly engineered natural grass and synthetic turf sports fields.
