Overview

Varitec is a large multi-line representative with a complete HVAC air side product line card that has been built on the basis of strong engineer and customer relationships. Our key / anchor product lines are: Daikin Applied, Daikin AC, Venmar, Ruskin, Titus, Penn Barry. We maintain a very well experienced staff consisting of: Staff includes: 2 outside sales people; 3 internal equipment sales support. Our team has developed over the last 15 years and has experience working together. We have successfully grown the Lubbock office from the experience and relationships that we have earned throughout those 15 years.
