Overview

Gibson Consulting Group, Inc. is an education consulting and research firm, dedicated exclusively to serving K-12 and higher education institutions. For nearly 22 years Gibson has worked with over 250 school systems, nationwide. Gibson aims to improve the efficiency, effectiveness, and compliance of education and educational programs at the state, regional, and school district levels. Gibson provides research and evaluation, survey research, organizational and efficiency analysis, technology consulting, dashboard and data visualization, and internal audit and financial investigation services. Our team includes special population subject matter experts, certified public accountants, doctorate-level research scientists, and consultants with extensive management, technology, and evaluation expertise.
