Overview

<p>At Entronix, our focus is making easily-deployable and intuitive energy management platforms for commercial facilities. The Entronix team consists of hardware, software, and application engineers from the automation industry who design, manufacture, and install the systems throughout the US and abroad. Our platform is utilized in high-rise office towers, hospitals, universities, and military bases. All our products are designed and manufactured in the United States and carry a lifetime warranty.</p>
