Overview

Gaggle is the pioneer in helping K-12 districts manage student safety on school-provided technology. Using a powerful combination of technology and trained safety experts, Gaggle provides real-time analysis and review of students' use of school-issued online collaboration platforms—a particularly important service during times of increased distance learning.

Whether your district uses the Google, Microsoft, or Canvas learning environment, Gaggle Safety Management will monitor your students' email, schoolwork, and chat tools for signs of suicide, self-harm, depression, drug and alcohol use, cyberbullying, violence toward others, and oth
