Overview

Troxell Communications, with its subsidiary Summit Integration Systems is the largest privately held distributor of AV & Technology equipment, supplies and services to the education market in the United States. Troxell/Summit fills customer needs by providing services associated with distributors, dealers, resellers and system integrators. The Company provides a comprehensive offering of over 100,000 SKUs, encompassing all types of AV & Technology equipment, which is maintained by hundreds of leading manufacturers. Troxell's value proposition is to be the lowest cost distributor while offering innovative solutions and the highest quality service. Troxell is known for its innovative and proprietary sales programs and for creating a management information system that simplifies the customer's purchase process by providing a more accurate and positive customer experience. In addition, the Company's website is best of class in its niche and allows customers to easily search for products, quickly generate quotes, and track orders.
