### Overview

*LSi has enjoyed a partnership with a dynamic and innovative company - Automated Logic Corporation (ALC). A leader in the industry for over two decades, ALC continues to be at the forefront of innovative technologies for energy management and building automation. ALC and LSi - an outstanding combination for innovative building control! LSi has partnered with industry leading electronic access control and video surveillance manufacturers. Our solutions are at your fingertips for systems integrations: from card reader and camera installation, to software configuration and integration with third party components, your building has never been so powerful. LSi exists to provide stability and growth for our employees while enabling our customers to achieve energy conservation, comfort and security solutions.*
