Overview

At Haskell, we are dedicated to designing and manufacturing the highest quality furniture for education, government, and institutional enterprises. Our collections are built with an unstinting commitment to excellence and customer satisfaction. Haskell provides furniture solutions for K-12 schools, colleges and universities that help remove barriers to learning. We strive to understand how our active classroom solutions can help students learn in the way that best suits their learning style. Our goal is to partner with educators to help them achieve student success in today's ever-changing, technology-driven world. We provide furniture solutions for organizations that can help increase efficiency, reduce fatigue and ultimately lead to higher employee satisfaction. We strive to understand how workplace environments can help employees perform at their highest levels. Our goal is to partner with organizations to help them keep their employees engaged in today's ever-changing technology-driven world.
