Overview

GreenTech Energy Services is an innovative energy efficiency company specializing in lighting retrofits. GreenTech provides turnkey services, from survey, design and installation to facilitation of rebates and tax incentives. Since its inception in 1994, the company has engaged in over \$100 million worth of lighting contracts, retrofitting over 5,000 buildings nationwide from its East and West coast offices.

Our team of certified lighting professionals and engineers manage the selling cycle from the introduction, investment grade audit, proposal presentation, project management, installation, and guarantee. Our retrofits combine State of the Art Technologies along with attractive financial rate of returns. All projects are done with licensed in house labor.
