Overview

Founded in 1981, MainStage Theatrical Supply, Inc. is a full-service entertainment Supply Company, with offices in Wisconsin where it is headquartered, Florida, Tennessee, Louisiana and Texas. Most offices maintain a large stock of basic theatre and entertainment supplies and offer the newest technology in theatre equipment.

MainStage is one of the leading entertainment suppliers in the U.S. with over \$16 million in annual sales of lighting and dimming equipment, rigging and curtain systems, effects, and theatre and television supplies. The broad background of company employees provides MainStage with a wealth of experience that is unmatched by its competitors.

DIMMING EQUIPMENT AND CONTROL

Since 1981, MainStage has provided dimming equipment and control at over 2000 different installations. These projects range from new construction and renovations to complicated interfaces of control consoles and represent more than \$50 million of equipment from various companies. Some of the manufacturers handled by MainStage are ETC, Strand, Colortran, EDI and Entertainment Technologies.

RIGGING EQUIPMENT AND CURTAIN SYSTEMS

MainStage is an experienced installer of theatrical rigging systems that can include counterweight, winch drive or dead hung designs. Curtain tracks and other custom components are included in this service. The company employs a trained staff for professional installation of these components, many of which are ETCP certified. MainStage also fabricates custom stage draperies for these systems.

THEATRICAL SUPPLIES

stocks and sells theatrical paint, lamps, color media, hardware, fabric, lighting fixtures, lighting effects, makeup and other accessories.

INTEGRATION SERVICES

Many customers turn to MainStage to provide turnkey installations of rigging, lighting and dimming systems for renovation or new construction projects. Company personnel install the rigging equipment and coordinate the on-site installation of theatrical lighting, dimming and structural equipment by outside contractors. MainStage works with consultants, architects, engineers and construction managers to guarantee that every aspect of the entertainment facility construction is designed and installed in the most cost efficient and functional manner possible.
