Overview

DiscoverVideo, LLC has been serving schools, higher education, businesses, governmental and health organizations since 2009. DiscoverVideo products, software and services empower users to produce professional live streaming broadcasts, manage video-on-demand content, digital signage, and distribute in-house and remotely via private IPTV and emergency messaging. DiscoverVideo manufactures DEVOS, the all-in-one enterprise video streaming and digital media management system. Other products include video encoders, capture cards, streaming platforms, players, and digital signage appliances, for both live streaming and video-on-demand. We provide services to cover video hosting, streaming production, and custom closed captioning. Discover Video is comprised of some of the most experienced professionals in the video communications and digital media industries. They know what customers need in both equipment and knowledge to successfully accomplish their communication goals.
