Overview

New Tech Solutions, Inc (NTS) is a prominent technology solutions provider catering to government, education, business, and healthcare sectors across the USA. Founded in 1997, NTS was established with a primary focus on addressing the specific needs of government and education. Our comprehensive offerings encompass a spectrum of IT solutions, including hardware, software products, and integrated services such as mobility, security, data center optimization, cloud computing, virtualization, and collaboration.

As a solutions provider, our priority lies in delivering the right solutions, regardless of brand affiliation. Our product portfolio spans across multiple manufacturers, ensuring a diverse array of options for our clients. NTS offers expert services in consulting, design, configuration, installation, and lifecycle management.

Our technology services cover various aspects, including e-Procurement integration, Leasing services, Managed services, Pre-shipment configuration, Professional services, Warranty, and maintenance. We specialize in crafting tailor-made turn-key solutions in Cloud, Collaboration, Data center and Networking, Managed Print Services, Point of Sale, Security, Software Management, and Total Mobility Management.

In 2022, NTS achieved an impressive annual sales figure of \$537 million, securing the 58th position on the Washington Technology Top 100 Federal contractor list and establishing us as industry leaders. With 25 years of experience in the field, we assure TIPS members that we can provide steadfast support throughout the contract term.

Our proficiency across a wide spectrum of technologies and sectors ensures that implementing solutions is not only effective but also economically viable for our customers. Our account teams act as a bridge between our internal technical resources, external partners, and original equipment manufacturers (OEMs), ensuring a seamless experience for TIPS members.

We harness our distributor relationships to operate as a world-class value-added reseller (VAR) and leverage our

shop for full lifecycle support.
