Overview

Since 1976, Musco Lighting has specialized in the design and manufacture of sports and transportation/infrastructure lighting solutions around the world. We've pioneered systems using metal halide and LED technologies that have made dramatic improvements in energy efficiency and provided affordable ways to control spill light and glare. Our new and retrofit, permanent and temporary lighting solutions can be found from Little League® fields to Olympic Games. Our global team partners with customers to plan, complete, and maintain a cost-effective, trouble-free lighting solution for their facility.
