Overview

Premier Field Development, Inc. is a specialized general contractor for sports facilities that has earned a reputation among architects, project owners, and synthetic turf manufactures. Projects range from the professional, collegiate, high school sports arenas, to city parks and community organized projects. Our employees have over 35 years of experience in all phases of athletic field construction for natural and synthetic turf fields, including laser guided equipment technology, subsurface drainage systems, permeable draining surfaces, running tracks, lighting and site furnishings for a completed project Premier's is a reliable company that will ensure each of our clients their project will be completed on time and beyond their expectations.
