Overview

CrisisGo makes safety accessible by offering a comprehensive approach that connects all your people and safety resources under a unified platform. When seconds count, CrisisGo saves the time it takes to respond to emergencies while reducing your safety risks with easy access to safety information and reporting capabilities. CrisisGo improves safety communication by ensuring that everyone is always connected and the correct information always reaches the appropriate people. Everyone deserves to know they're safe, and CrisisGo gives your people peace of mind by knowing that they have instant access to all the safety resources they will need to learn about an emergency and navigate to its resolution. With CrisisGo available on computers, tablets, and mobile devices, you can create a safety network that covers all your people all the time. Over 14,000 organizations have chosen CrisisGo because we know that safety is a shared responsibility, and we empower everyone to play their role in safety.
