### Overview

*Purpose Built Drone & Robotics, LLC (PBDR) Custom Designs and Builds Drones and Robots to help you complete your most complicated mission. PBDR was founded by David Willden, a retired school Superintendent in New Mexico, and is partnered with Dr. Mostaffa Hassanalian, PHD. who is one of the top drone researchers in the world. PBDR is also partnered with Dr. Curtis O'Malley, PHD. Who is considered by many to be one of the foremost robot designers as well. We build all of our drones and robots from 100% USA parts. All manufacturing is done in New Mexico. In addition to custom built drones and robots we can also provide drone related services such as inspections and training through our partner companies.*
