### Overview

Edmentum, formerly known as Apex Learning, provides quality online programs to more than 9,000 educational partners to address credit recovery, first-time credit, blended and individualized learning, state test preparation, college and career readiness, and more. Designed by experienced educators, curriculum experts, and researchers, our programs are designed to make personalized learning an achievable reality in every classroom. To meet our customer's needs, we offer Courseware, Exact Path, Study Island, EdOptions Academy, Calvert Learning, Reading Eggs, BASE Education, and FEV Tutor. Courseware offers customizable digital curriculum for grades 6–12, aligned to TEKS standards, including core, AP®, CTE, electives, world languages, and test preparation courses. Multimodal learning units feature interactive lessons to engage students, build mastery, and reinforce real-world application. Robust reporting, grading, and data dashboards allow real-time progress tracking. Exact Path personalizes K–12 learning by combining adaptive diagnostic assessments with individualized learning paths in math and ELA. Exact Path determines students' competencies and targets individual needs with mastery-based curriculum and automatic remediation. Educators are supported with individualized supplemental assignment options, flexible grouping tools, and meaningful data to pinpoint growth and guide instruction. Study Island is a customizable K–12 practice and formative assessment solution that makes instruction more effective, improves mastery and retention, and boosts student achievement in math, ELA, science, and social studies. Study Island includes embedded state assessment preparation with practice items built from Texas standards and over 600,000 items designed to assess standards mastery. EdOptions Academy is a fully accredited virtual academy that allows districts to enhance and expand their program offerings, attract and retain students, and provide flexible, individualized learning experiences. Edmentum is trusted nationally to provide rigorous, research-based, and pedagogically sound curriculum with state-certified teachers to help you reach more students. Calvert Learning provides engaging, project-based curriculum for K–5 learners in virtual or blended learning environments. Courses are aligned to national standards, foster 21st-century learning skills, and include ELA, math, science, social studies, art, health, and PE. Additionally, a designated parent portal affords meaningful collaboration with families to foster student success. Edmentum's dynamic 3-in-1 online literacy program includes Reading Eggs, Reading Eggspress, and Fast Phonics. Aligned to the five essential pillars of reading, this program builds and reinforces foundational reading skills and is ideal for literacy initiatives, early learning,

learning (SEL) curriculum rooted in mental health and wellness principles and underscored by clinical research. Using a strengths-based approach, students define and reflect on their values, knowledge, and behavior; learn coping strategies; dispel barriers to success; and set plans for forward thinking. Edmentum's partnership with FEV Tutor allows us to enhance virtual course experiences by providing customized one-on-one tutoring. Sessions are facilitated by dedicated, highly qualified educators and available 24/7 for Courseware and EdOptions Academy. Apex Learning programs give every student and educator a path toward success through active learning and actionable data. Apex Courses are available for core, AP®, CTE, electives, and world languages. Apex Tutorials offer targeted remediation using standards-based instruction, practice, and review for core, college entrance exam preparation, and high school equivalency exam preparation. In addition, virtual learning can be provided using Apex Courses paired with highly qualified teachers. A true partner in education, Edmentum also provides expert consulting to support successful program implementation. Our team of education technology professionals is committed to helping you achieve your goals and ensure your investment enhances student achievement
