Overview

C Squared Networks is an innovator in network systems design. We are an HPE/Aruba Networks Authorized Partner. Our staff has Aruba Certified ClearPass Professional and HPE Accredited Technical Professional certifications. We are Wilson and Nextivity certified installers for in-building cellular distributed antennas systems. We are authorized resellers of GeoVision video surveillance systems. We provide network design, configuration, testing, and support as well as project management for the entire life cycle of network and cabling installs and upgrades.
