Overview

Gentle Minds partners with school leaders to design strategic campus plans to increase student achievement. We help leaders to create focused plans that can be supported through consistent monitoring and evaluation. Additionally, we support teachers through instructional planning and targeted coaching cycles. By using this two-pronged approach, Gentle Minds is able to help campuses yield timely results that develop leaders and increase student achievement.

We provide math tutoring sessions for students K- 12.

We offer Virtual and Face to Face PDs and workshops to support the following instructional areas:

Content area development in math and science.
