Overview

Centrica is a leading, nationwide, turn-key energy efficiency solutions contractor specializing in design build projects like lighting and controls improvements. Our projects help lower utility and maintenance costs, improve occupant comfort, safety, and productivity. Since our founding over eighteen years ago Centrica has completed over 20,000 projects with a diverse array of customers, across all markets segments, including K-12, higher education, local government, as well as commercial and industrial facilities of all kinds. Centrica is one of only a handful of contractors on the Department of Energy (DoE) list of qualified Energy Service Performance Contractors (ESCOs).
