### Overview

*ENGIE Services U.S. Inc. is part of the ENGIE Group (ENGIE), a global company committed to low-carbon energy and services. ENGIE offers true design-build general construction services specializing in energy and water conservation, building system retrofits, and renewable energy projects for the public-sector. We finance, design, build, operate, maintain and manage building systems and energy infrastructure projects. ENGIE has implemented economically viable, comprehensive energy programs for over 500 public sector customers throughout the US.*
