Overview

Catapult K12 has provided web solutions since 2000. We started with an easy-to-use content management system, which turned out to be perfect for K-12 districts. This led to the development of more K-12 web tools and to our current specialization as a leader in integrated communication solutions for schools.

We have maintained a high level of customer service and rapid response times. CatapultK12 has never had a grievance or lawsuit filed against us. Our products are:

1.CATAPULT CMS: Website Management System/Hosting
Non-technical personnel can enter & update content, using word processing skills they already possess, with no need to learn HTML, web design, programming, FTP or other complicated tasks.
