Overview

Classcraft is a research-backed, award-winning online solution for positive tiered classroom management. Our online solution provides actionable tools and methods of collecting data on classroom engagement, instructional approaches, and student development of competencies. Classcraft helps administrators succeed with PBIS through implementations that are consistent, sustainable, and data-driven. As an organization, Classcraft has extensive expertise in classroom management, multi-tiered systems of support, PBIS, social-emotional learning, bullying prevention, gamification, personalized learning, intrinsic motivation, and digital citizenship. Classcraft is very effective both in classrooms and for remote education.
