Overview

In today's escalating and constantly evolving cyber threat environment, public sector institutions need the support of security experts with the experience and leading-edge insight it takes to stay one step ahead of the bad actors. MGT is a multidiscipline consultancy specializing in meeting the needs of public sector organizations. In business for more than 45 years, our firm has completed more than 12,000 engagements for government, public school, higher education and other clients. MGT's Cyber Security practice offers a suite of services designed to help organizations better meet their information technology security objectives. Our services include security assessments, technology strategic planning, virtual CISO, continuous managed monitoring and incident response.
